

§ 230.144A

of a notice on Form 144 shall be filed with the Commission at its principal office in Washington, DC; and if such securities are admitted to trading on any national securities exchange, one copy of such notice shall also be transmitted to the principal exchange on which such securities are so admitted. The Form 144 shall be signed by the person for whose account the securities are to be sold and shall be transmitted for filing concurrently with either the placing with a broker of an order to execute a sale of securities in reliance upon this rule or the execution directly with a market maker of such a sale. Neither the filing of such notice nor the failure of the Commission to comment thereon shall be deemed to preclude the Commission from taking any action it deems necessary or appropriate with respect to the sale of the securities referred to in such notice. The requirements of this paragraph, however, shall not apply to securities sold for the account of any person other than an affiliate of the issuer, provided the conditions of paragraph (k) of this rule are satisfied.

(i) *Bona fide intention to sell.* The person filing the notice required by paragraph (h) of this section shall have a bona fide intention to sell the securities referred to therein within a reasonable time after the filing of such notice.

(j) *Non-exclusive rule.* Although this rule provides a means for reselling restricted securities and securities held by affiliates without registration, it is not the exclusive means for reselling such securities in that manner. Therefore, it does not eliminate or otherwise affect the availability of any exemption for resales under the Securities Act that a person or entity may be able to rely upon.

(k) *Termination of certain restrictions on sales of restricted securities by persons other than affiliates.* The requirements of paragraphs (c), (e), (f) and (h) of this section shall not apply to restricted securities sold for the account of a person who is not an affiliate of the issuer at the time of the sale and has not been an affiliate during the preceding three months, provided a period of at least two years has elapsed since the later of the date the securities were acquired

from the issuer or from an affiliate of the issuer. The two-year period shall be calculated as described in paragraph (d) of this section.

§ 230.144A Private resales of securities to institutions.

PRELIMINARY NOTES: 1. This section relates solely to the application of section 5 of the Act and not to antifraud or other provisions of the federal securities laws.

2. Attempted compliance with this section does not act as an exclusive election; any seller hereunder may also claim the availability of any other applicable exemption from the registration requirements of the Act.

3. In view of the objective of this section and the policies underlying the Act, this section is not available with respect to any transaction or series of transactions that, although in technical compliance with this section, is part of a plan or scheme to evade the registration provisions of the Act. In such cases, registration under the Act is required.

4. Nothing in this section obviates the need for any issuer or any other person to comply with the securities registration or broker-dealer registration requirements of the Securities Exchange Act of 1934 (the *Exchange Act*), whenever such requirements are applicable.

5. Nothing in this section obviates the need for any person to comply with any applicable state law relating to the offer or sale of securities.

6. Securities acquired in a transaction made pursuant to the provisions of this section are deemed to be *restricted securities* within the meaning of § 230.144(a)(3) of this chapter.

7. The fact that purchasers of securities from the issuer thereof may purchase such securities with a view to reselling such securities pursuant to this section will not affect the availability to such issuer of an exemption under section 4(2) of the Act, or Regulation D under the Act, from the registration requirements of the Act.

(a) *Definitions.* (1) For purposes of this section, *qualified institutional buyer* shall mean:

Securities and Exchange Commission

(2) In determining the aggregate amount of securities owned and invested on a discretionary basis by an entity, the following instruments and interests shall be excluded: bank deposit notes and certificates of deposit; loan participations; repurchase agreements; securities owned but subject to a repurchase agreement; and currency, interest rate and commodity swaps.

(3) The aggregate value of securities owned and invested on a discretionary basis by an entity shall be the cost of such securities, except where the entity reports its securities holdings in its financial statements on the basis of their market value, and no current information with respect to the cost of those securities has been published. In the latter event, the securities may be valued at market for purposes of this section.

(4) In determining the aggregate amount of securities owned by an entity and invested on a discretionary basis, securities owned by subsidiaries of the entity that are consolidated with the entity in its financial statements prepared in accordance with

generally accepted accounting principles may be included if the investments of such subsidiaries are managed under the direction of the entity, except that, unless the entity is a reporting company under section 13 or 15(d) of the Exchange Act, securities owned by such subsidiaries may not be included if the entity itself is a majority-owned subsidiary that would be included in the consolidated financial statements of another enterprise.

(5) For purposes of this section, *riskless principal transaction* means a transaction in which a dealer buys a security from any person and makes a simultaneous offsetting sale of such security to a qualified institutional buyer, including another dealer acting as riskless principal for a qualified institutional buyer.

(b) *Sales by persons other than issuers or dealers.* Any person, other than the issuer or a dealer, who offers or sells securities in compliance with the conditions set forth in paragraph (d) of this section shall be deemed not to be engaged in a distribution of such securities and therefore not to be an underwriter of such securities within the meaning of sections 2(11) and 4(1) of the Act.

(c) *Sales by Dealers.* Any dealer who offers or sells securities in compliance with the conditions set forth in paragraph (d) of this section shall be deemed not to be a participant in a distribution of such securities within the meaning of section 4(3)(C) of the Act and not to be an underwriter of such securities within the meaning of section 2(11) of the Act, and such securities shall be deemed not to have been offered to the public within the meaning of section 4(3)(A) of the Act.

(d) *Conditions to be met.* To qualify for exemption under this section, an offer or sale must meet the following conditions:

(1) The securities are offered or sold only to a qualified institutional buyer or to an offeree or purchaser that the seller and any person acting on behalf of the seller reasonably believe is a qualified institutional buyer. In determining whether a prospective purchaser is a qualified institutional buyer, the seller and any person acting on its behalf shall be entitled to rely upon the following non-exclusive methods of establishing the prospective purchaser's ownership and discretionary investments of securities:

(i) The prospective purchaser's most recent publicly available financial statements, *Provided* That such statements present the information as of a date within 16 months preceding the date of sale of securities under this section in the case of a U.S. purchaser and within 18 months preceding such date of sale for a foreign purchaser;

(ii) The most recent publicly available information appearing in documents filed by the prospective purchaser with the Commission or another United States federal, state, or local governmental agency or self-regulatory organization, or with a foreign governmental agency or self-regulatory organization, *Provided* That any such information is as of a date within 16 months preceding the date of sale of securities under this section in the case of a U.S. purchaser and within 18 months preceding such date of sale for a foreign purchaser;

(iii) The most recent publicly available information appearing in a recognized securities manual, *Provided* That such information is as of a date within 16 months preceding the date of sale of securities under this section in the case of a U.S. purchaser and within 18 months preceding such date of sale for a foreign purchaser; or

(iv) A certification by the chief financial officer, a person fulfilling an equivalent function, or other executive officer of the purchaser, specifying the amount of securities owned and invested on a discretionary basis by the purchaser as of a specific date on or since the close of the purchaser's most

recent fiscal year, or, in the case of a purchaser that is a member of a family of investment companies, a certification by an executive officer of the investment adviser specifying the amount of securities owned by the family of investment companies as of a specific date on or since the close of the purchaser's most recent fiscal year;

(2) The seller and any person acting on its behalf takes reasonable steps to ensure that the purchaser is aware that the seller may rely on the exemption from the provisions of section 5 of the Act provided by this section;

(3) The securities offered or sold:

(i) Were not, when issued, of the same class as securities listed on a national securities exchange registered under section 6 of the Exchange Act or quoted in a U.S. automated inter-dealer quotation system; *Provided*, That securities that are convertible or exchangeable into securities so listed or quoted at the time of issuance and that had an effective conversion premium of less than 10 percent, shall be treated as securities of the class into which they are convertible or exchangeable; and that warrants that may be exercised for securities so listed or quoted at the time of issuance, for a period of less than 3 years from the date of issuance, or that had an effective exercise premium of less than 10 percent, shall be treated as securities of the class to be issued upon exercise; and *Provided further*, That the Commission may from time to time, taking into account then-existing market practices, designate additional securities and classes of securities that will not be deemed of the same class as securities listed on a national securities exchange or quoted in a U.S. automated inter-dealer quotation system; and

(ii) Are not securities of an open-end investment company, unit investment trust or face-amount certificate company that is or is required to be registered under section 8 of the Investment Company Act; and

(4)(i) In the case of securities of an issuer that is neither subject to section 13 or 15(d) of the Exchange Act, nor exempt from reporting pursuant to Rule 12g3-2(b) (§240.12g3-2(b) of this chapter) under the Exchange Act, nor a foreign government as defined in Rule 405

§ 230.145

(§ 230.405 of this chapter) eligible to register securities under Schedule B of the Act, the holder and a prospective purchaser designated by the holder have the right to obtain from the issuer, upon request of the holder, and the prospective purchaser has received from the issuer, the seller, or a person acting on either of their behalf, at or prior to the time of sale, upon such prospective purchaser's request to the holder or the issuer, the following information (which shall be reasonably current in relation to the date of resale under this section): a very brief statement of the nature of the business of the issuer and the products and services it offers; and the issuer's most recent balance sheet and profit and loss and retained earnings statements, and similar financial statements for such part of the two preceding fiscal years as the issuer has been in operation (the financial statements should be audited to the extent reasonably available).

(ii) The requirement that the information be *reasonably current* will be presumed to be satisfied if:

(A) The balance sheet is as of a date less than 16 months before the date of resale, the statements of profit and loss and retained earnings are for the 12 months preceding the date of such balance sheet, and if such balance sheet is not as of a date less than 6 months before the date of resale, it shall be accompanied by additional statements of profit and loss and retained earnings for the period from the date of such balance sheet to a date less than 6 months before the date of resale; and

(B) The statement of the nature of the issuer's business and its products and services offered is as of a date within 12 months prior to the date of resale; or

(C) With regard to foreign private issuers, the required information meets the timing requirements of the issuer's home country or principal trading markets.

(e) Offers and sales of securities pursuant to this section shall be deemed not to affect the availability of any exemption or safe harbor relating to any previous or subsequent offer or sale of

§ 230.145 **Reclassification of securities, mergers, consolidations and acquisitions of assets.**

PRELIMINARY NOTE: Rule 145 (§230.145 of this chapter) is designed to make available the protection provided by registration under the Securities Act of 1933, as amended (Act), to persons who are offered securities in a business combination of the type described in paragraphs (a) (1), (2) and (3) of the rule. The thrust of the rule is that an *offer*, *offer to sell*, *offer for sale*, or *sale* occurs when there is submitted to security holders a plan or agreement pursuant to which such holders are required to elect, on the basis of what is in substance a new investment decision, whether to accept a new or different security in exchange for their existing security. Rule 145 embodies the Commission's determination that such transactions are subject to the registration requirements of the Act, and that the previously existing *no-sale* theory of Rule 133 is no longer consistent with the statutory purposes of the Act. See Release No. 33-5316 (October 6, 1972) [37 FR 23631]. Securities issued in transactions described in paragraph (a) of Rule 145 may be registered on Form S-4 or F-4 (§239.25 or §239.34 of this chapter) or Form N-14 (§239.23 of this chapter) under the Act.

Transactions for which statutory exemptions under the Act, including those contained in sections 3(a)(9), (10), (11) and 4(2), are otherwise available are not affected by Rule 145.

NOTE 1: Reference is made to Rule 153a (§230.153a of this chapter) describing the prospectus delivery required in a transaction of the type referred to in Rule 145.

NOTE 2: A reclassification of securities covered by Rule 145 would be exempt from registration pursuant to section 3(a)(9) or (11) of the Act if the conditions of either of these sections are satisfied.

(a) *Transactions within this section.* An *offer*, *offer to sell*, *offer for sale*, or *sale* shall be deemed to be involved, within the meaning of section 2(3) of the Act, so far as the security holders of a corporation or other person are concerned where, pursuant to statutory provisions of the jurisdiction under which
