A person who receives confirmation of an exemption pursuant to this section must engage in all transactions subject to regulation under Part 30 through a registered futures commission merchant or a foreign broker who has received confirmation of an exemption pursuant to § 30.10 in accordance with the provisions of § 30.3(b).

(a) *Agent for service of process.* Any person who seeks exemption from registration under this part shall enter into a written agency agreement with the futures commission merchant located in the United States through which business is done, with any registered futures association, or any other person located in the United States in the business of providing services as an agent for service of process, pursuant to which agreement such futures commission merchant or other person is authorized to serve as the agent of such person for purposes of ac-

Unless otherwise specified by the Commission, the agreement required by this section shall be filed with the National Futures Association. For the purposes of this section, the term “communication” includes any summons, complaint, order, subpoena, request for information, or notice, as well as any other written document or correspondence relating to any activities of such person subject to regulation under this part.

(b) *Termination of agreement.* Whenever the agreement referred to in paragraph (a) of this section is terminated or is otherwise no longer in effect, the futures commission merchant or any other person that is party to the agreement shall immediately notify the National Futures Association and the futures commission merchant through which business is done, as appropriate. Upon notice, a futures commission merchant shall not accept from the person that has entered into such agreement any order, other than liquidating order(s), for, or on behalf of a foreign futures or foreign options customer.
