

Commodity Futures Trading Commission

§ 4.10

(iii) A good faith and reasonable attempt was made to comply with all applicable terms, conditions and requirements of § 4.7.

(2) A transaction made in reliance on § 4.7 must comply with all applicable terms, conditions and requirements of § 4.7. Where an exemption is established only through reliance upon paragraph (e)(1) of this section, the failure to comply shall nonetheless be actionable by the Commission.

§ 4.9 [Reserved]

§ 4.10 Definitions.

For purposes of this part:

(a) *Commodity interest* means:

(1) Any contract for the purchase or sale of a commodity for future delivery; and

(2) Any contract, agreement or transaction subject to Commission regulation under section 4c or 19 of the Act.

(b) *Net asset value* means total assets minus total liabilities, determined in accord with generally accepted accounting principles, with each position in a commodity interest accounted for at fair market value.

(c) *Participant* means any person that has any direct financial interest in a pool (e.g., a limited partner).

(d)(1) *Pool* means any investment trust, syndicate or similar form of enterprise operated for the purpose of trading commodity interests.

(2) *Multi-advisor pool* means a pool in which:

(i) No commodity trading advisor is allocated or intended to be allocated more than twenty-five percent of the pool's funds available for commodity interest trading; and

(ii) No investee pool is allocated or intended to be allocated more than twenty-five percent of the pool's net asset value.

(3) *Principal-protected pool* means a pool (commonly referred to as a “guaranteed pool”) that is designed to limit the loss of the initial investment of its participants.

(4) *Investee pool* means any pool in which another pool or account participates or invests, e.g., as a limited partner thereof.

(5) *Major investee pool* means, with respect to a pool, any investee pool that is allocated or intended to be allocated at least ten percent of the net asset value of the pool.

(e)(1) *Principal*, when referring to a person that is a principal of a particular entity, shall have the same meaning as the term “principal” under §3.1(a) of this chapter.

(2) *Trading principal* means:

(i) With respect to a commodity pool operator, a principal who participates in making trading decisions for a pool, or who supervises, or has authority to allocate pool assets to, persons so engaged; and

(ii) With respect to a commodity trading advisor, a principal who participates in making trading decisions for the account of a client or who supervises or selects persons so engaged.

(f) *Direct*, as used in the context of trading commodity interest accounts, refers to agreements whereby a person is authorized to cause transactions to be effected for a client’s commodity interest account without the client’s specific authorization.

(g) *Trading program* refers to the program pursuant to which a person (1) directs a client’s commodity interest account, or (2) guides the client’s commodity interest trading by means of a systematic program that recommends specific transactions.

(h) *Trading manager* means, with respect to a pool, any person, other than the commodity pool operator of the pool, having sole or partial authority to allocate pool assets to commodity trading advisors or investee pools.

(i) *Major commodity trading advisor* means, with respect to a pool, any commodity trading advisor that is allocated or is intended to be allocated at least ten percent of the pool’s funds available for commodity interest trading. For this purpose, the percentage allocation shall be the amount of funds allocated to the trading advisor by agreement with the commodity pool operator (or trading manager) on behalf of the pool, expressed as a percentage of the lesser of the aggregate value of the assets allocated to the pool’s trading advisors or the net assets of the pool at the time of allocation.

(j) *Break-even point*—(1) Means the trading profit that a pool must realize in the first year of a participant’s investment to equal all fees and expenses such that such participant will recoup its initial investment, as calculated

pursuant to rules promulgated by a registered futures association pursuant to section 17(j) of the Act; and

(2) Must be expressed both as a dollar amount and as a percentage of the minimum unit of initial investment and assume redemption of the initial investment at the end of the first year of investment.

(k) *Draw-down* means losses experienced by a pool or account over a specified period.

(1) *Worst peak-to-valley draw-down* means the greatest cumulative percentage decline in month-end net asset value due to losses sustained by a pool, account or trading program during any period in which the initial month-end net asset value is not equaled or exceeded by a subsequent month-end net asset value. Such decline must be expressed as a percentage of the initial month-end net asset value, together with an indication of the months and year(s) of such decline from the initial month-end net asset value to the lowest month-end net asset value of such decline.¹ For purposes of §§ 4.25 and 4.35, a peak-to-valley draw-down which began prior to the beginning of the most recent five calendar years is deemed to have occurred during such five-calendar-year period.

(m) *Partially-funded account* means a client participation in the program of a commodity trading advisor in which the amount of funds in the client’s commodity interest account over which such commodity trading advisor has trading authority is less than the account size that establishes the client’s level of trading in a commodity trading advisor’s program.

§ 4.11 Exemption from section 4n(3)(B).

The provisions of section 4n(3)(B) of the Act shall not apply to any commodity pool operator or commodity trading advisor that is registered under

¹For example, a worst peak-to-valley draw-down of “4 to 8–92/25%” means that the peak-to-valley draw-down lasted from April to August of 1992 and resulted in a twenty-five percent cumulative draw-down.
