(b) *Exemption from subpart B for certain commodity pool operators.* (1) Any person who is registered as a commodity pool operator, or has applied for such registration, may claim any or all of the relief available under paragraph (b)(2) of this section if:

(D) Will trade such commodity interests in a manner solely incidental to its securities trading activities.

(ii) Each existing participant and prospective participant in the pool for which it makes such request is informed in writing of the restrictions set forth in paragraph (b)(1)(i) (C) and (D) of this section prior to the date the pool commences trading commodity interests. The pool operator may furnish this information by way of the pool's Disclosure Document, Account Statement, a separate notice or other similar means, including written commu-

nication delivered through electronic transmission.

(2) The commodity pool operator of a pool which meets the criteria of paragraph (b)(1) of this section may claim the following relief:

(A) Is prepared pursuant to the requirements of the Securities Act of 1933, as amended, or the exemption from said Act pursuant to which the pool is being offered and sold;

(B) Contains the information required by §§ 4.24(c) through (m) and (o) through (u); and

(C) Complies with the requirements of §§ 4.24(v) and (w).

(ii) In the case of § 4.22 (a) and (b), that the Commission accept in lieu and in satisfaction of the Account Statement and prescribed frequency respectively specified by those sections a statement which indicates the net asset value of the pool as of the end of the reporting period and the change in net asset value from the end of the previous reporting period, to be prepared and distributed no less frequently than quarterly; *Provided, however,* That each such statement complies with the other requirements of § 4.22 (a) and (b), including the references in those sections to § 4.22 (g) and (h).

(iii) In the case of § 4.22 (c) through (e), that the Commission accept in lieu and in satisfaction of the financial information and statements in the Annual Report specified by those sections an annual report for the pool which contains, at a minimum, a Statement of Financial Condition as of the close of the pool's fiscal year and a Statement of Income (Loss) for that year; *Provided, however,* That:

(A) Each such annual report complies with the other requirements of § 4.22(c), including the reference in that section to § 4.22(h) and the requirement in § 4.22(c)(5) that the annual report must contain appropriate footnote disclosure and further material information; and

§ 4.13

17 CFR Ch. I (4–1–07 Edition)

(B) The financial statements in such annual report must be presented and computed in accordance with generally accepted accounting principles consistently applied and must be certified by an independent public accountant.

(iv) In the case of § 4.23(a) (10) and (11), to exempt the pool operator from the requirements of those sections with respect to the pool.

(3) Any registered commodity pool operator who desires to claim the relief available under this § 4.12(b) must file electronically a claim of exemption with National Futures Association through its electronic exemption filing system. Such claim must:

(iv) Specify the relief sought under § 4.12(b)(2); and

(v) Be filed by a representative duly authorized to bind the pool operator.

(4)(i) The claim of exemption must be filed before the date the commodity pool first enters into a commodity interest transaction.

(ii) The claim of exemption shall be effective upon filing; *Provided, however*, That any exemption claimed hereunder shall cease to be effective upon any change which would render the representations made pursuant to paragraph (b)(3)(iv) of this section inaccurate or the continuation of such representations false or misleading.

(5) If a claim of exemption has been made under § 4.12(b)(2)(i), the commodity pool operator must make a statement to that effect on the cover page of each offering memorandum, or amendment thereto, that it is required to file with the National Futures Association pursuant to § 4.26.

(ii) If a claim of exemption has been made with respect to paragraph (b)(2)(iii) of this section, the pool operator must make a statement to that ef-

fect on the cover page of each annual report that it is required to file with the National Futures Association pursuant to § 4.22(c).

(6)(i) Any claim of exemption effective hereunder shall be effective only with respect to the pool for which it has been made.

(ii) The effectiveness of such claim shall not affect the obligations of the commodity pool operator to comply with all other applicable provisions of this part 4, the Act and the Commission's rules and regulations issued thereunder with respect to the pool and any other pool the pool operator operates or intends to operate.
