18 CFR Ch. XIII (4-1-07 Edition)

sought, such as the date, title or name, author, recipient, and subject matter of the record. If known, you should include any file designations or descriptions for the records that you want. As a general rule, the more specific you are about the records or type of records that you want, the more likely TVA will be able to locate those records in response to your request. If TVA determines that your request does not reasonably describe records, it shall tell you either what additional information is needed or why your request is otherwise insufficient. TVA shall also give you an opportunity to discuss your request so that you may modify it to meet the requirements of this section. If your request does not reasonably describe the records you seek, the agency's response to your request may be delayed.

(c) *Agreement to pay fees.* If you make a FOIA request, it shall be considered an agreement by you to pay all applicable fees charged under §1301.11, up to \$25.00, unless you seek a waiver of fees. TVA's FOIA Officer will confirm this agreement in an acknowledgement letter. When making a request, you may specify a willingness to pay a greater or lesser amount.

§ 1301.4 Responsibility for responding to requests.

(a) TVA's FOIA Officer, or the FOIA Officer's designee, is responsible for responding to all FOIA requests. In determining which records are responsive to a request, TVA will ordinarily include only records in its possession as of the date it begins its search for them. If any other date is used, the FOIA Officer shall inform the requester of that date.

(b) *Authority to grant or deny requests.* TVA's FOIA Officer, or the FOIA Officer's designee, is authorized to grant or deny any request for a TVA record.

(c) *Consultations and referrals.* When the FOIA Officer receives a request for a record in TVA's possession, the FOIA Officer shall determine whether another agency of the Federal Government is better able to determine whether the record is exempt from disclosure under the FOIA and, if so,

whether it should be disclosed as a matter of administrative discretion. If the FOIA Officer determines that TVA is not best able to process the record, the FOIA Officer shall either:

(1) Respond to the request regarding that record, after consulting with the agency best able to determine whether to disclose it and with any other agency that has a substantial interest in it; or

(2) Refer the responsibility for responding to the request regarding that record to the agency that originated the record (but only if that agency is subject to the FOIA). Ordinarily, the agency that originated a record will be presumed to be best able to determine whether to disclose it.

(d) *Notice of referral.* Whenever TVA refers all or any part of the responsibility for responding to a request to another agency, it ordinarily shall notify the requester of the referral and inform the requester of the name of each agency to which the request has been referred and of the part of the request that has been referred.

(e) *Timing of responses to consultations and referrals.* All consultations and referrals will be handled according to the date the FOIA request initially was received by the FOIA Officer, not any later date.

(f) *Agreements regarding consultations and referrals.* TVA may make agreements with other agencies to eliminate the need for consultations or referrals for particular types of records.

§ 1301.5 Timing of responses to requests.

(a) In general, TVA ordinarily shall respond to requests according to their order of receipt and placement in an appropriate processing track, as follows:

(b) *Multi-track processing procedures.* TVA has established three tracks for handling requests and the track to which a request is assigned will depend on the nature of the request and the estimated processing time, including a consideration of the number of pages involved. If TVA places a request in a track other than Track 1, it will advise requesters of the limits of its faster
