

§ 1311.9

(b) This section also applies to comments in cases in which the review, coordination, and communication with TVA have been delegated or when TVA provides notice directly to potentially affected state, areawide, regional, or local entities under §1311.7(b).

§ 1311.9 How does TVA receive and respond to comments?

(a) TVA follows the procedures in §1311.10 if:

(1) A state office or official is designated to act as a single point of contact between a state process and all federal agencies, and

(2) That office or official transmits a state process recommendation for a program selected under §1311.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional, or local officials and entities where there is no state process recommendation; however, these officials or entities may submit comments directly to TVA for TVA's consideration.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional, and local officials and entities may submit comments to TVA.

(d) If a program or activity is not selected for a state process, state, areawide, regional, and local officials and entities may submit comments to TVA. In addition, if a state process recommendation for a nonselected program or activity is transmitted to TVA by the single point of contact, TVA follows the procedures of §1311.10 of this part.

(e) TVA considers comments which do not constitute a state process recommendation submitted under these regulations and for which TVA is not required to apply the procedures of §1311.10 of this part, when such comments are provided by a single point of contact or directly to TVA by a state, areawide, regional, or local government.

18 CFR Ch. XIII (4-1-07 Edition)

§ 1311.10 How does TVA make efforts to accommodate intergovernmental viewpoints?

(a) If a state process provides a state process recommendation to TVA through its single point contact, TVA either:

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact (including any regional or local office delegated a review and comment role by the state process) with written explanation of the decision in such form as TVA in its discretion deems appropriate. TVA may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunications, meeting with the single point of contact, and, as appropriate, other interested officials or offices, or other means.

(b) In any explanation under paragraph (a)(3) of this section, TVA informs the single point of contact that:

(1) TVA will not implement its decision for at least 10 days after the single point of contact receives the explanation; or

(2) TVA's General Manager has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least 10 days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, the explanation is presumed to have been received five days after the date of mailing of such notification.

§ 1311.11 What are TVA's obligations in interstate situations?

(a) TVA is responsible for:

(1) Identifying proposed Federal financial assistance and direct Federal development that potentially impact on interstate areas;

(2) Notifying appropriate officials and entities in states which have adopted a process and which select TVA's program or activity;

(3) In accordance with §1311.7(b), making efforts to identify and notify the affected state, areawide, regional and local officials and entities in those states that have not adopted a process

§ 1312.1 Purpose.

(a) The regulations in this part implement provisions of the Archaeological Resources Protection Act of 1979, as amended (16 U.S.C. 470aa-mm) by establishing the uniform definitions, standards, and procedures to be followed by all Federal land managers in providing protection for archaeological resources, located on public lands and Indian lands of the United States. These regulations enable Federal land managers to protect archaeological resources, taking into consideration provisions of the American Indian Religious Freedom Act (92 Stat. 469; 42 U.S.C. 1996), through permits authorizing excavation and/or removal of archaeological resources, through civil penalties for unauthorized excavation and/or removal, through provisions for the preservation of archaeological resource collections and data, and through provisions for ensuring confidentiality of information about archaeological resources when disclosure would threaten the archaeological resources.

(b) The regulations in this part do not impose any new restrictions on activities permitted under other laws, authorities, and regulations relating to mining, mineral leasing, reclamation, and other multiple uses of the public lands.
