**§ 30.303 What information may OWCP request in connection with a claim under Part E of EEOICPA?**

At any time during the course of development of a claim for benefits under Part E, OWCP may determine that it needs relevant information to adjudicate the claim. When this occurs, and at the request of OWCP, DOE and/or any contractor who employed a Department of Energy contractor employee must provide to OWCP information or documents in response to the request in connection with a claim under Part E of EEOICPA.

(a) The party to whom the request is made must respond to OWCP within 90 days of the request with either:

**§ 30.305 How does OWCP determine entitlement to EEOICPA compensation?**

(a) In reaching a recommended decision with respect to EEOICPA compensation, OWCP considers the claim presented by the claimant, the factual and medical evidence of record, the dose reconstruction report calculated by HHS (if any), any report submitted by DOE and the results of such investigation as OWCP may deem necessary.

(b) The OWCP claims staff applies the law, the regulations and its procedures when it evaluates the medical evidence and the facts as reported or obtained upon investigation.

**§ 30.306 What does the recommended decision contain?**

The recommended decision shall contain findings of fact and conclusions of law. The recommended decision may accept or reject the claim in its entirety, or it may accept or reject a portion of the claim presented. It is accompanied by a notice of the claimant's right to file objections with, and request a hearing before, the FAB.

**§ 30.307 To whom is the recommended decision sent?**

(a) A copy of the recommended decision will be mailed to the claimant's last known address and to the claimant's designated representative before

(b) At the same time it issues a recommended decision on a claim, the OWCP district office will forward the record of such claim to the FAB. Any new evidence submitted to the district office following the issuance of the recommended decision will also be forwarded to the FAB for consideration.

#### HEARINGS AND FINAL DECISIONS ON CLAIMS

### § 30.310 What must the claimant do if he or she objects to the recommended decision or wants to request a hearing?

(a) Within 60 days from the date the recommended decision is issued, the claimant must state, in writing, whether he or she objects to any of the findings of fact and/or conclusions of law contained in such decision, including HHS's reconstruction of the radiation dose to which the employee was exposed (if any), and whether a hearing is desired. This written statement should be filed with the FAB at the address indicated in the notice accompanying the recommended decision.

(b) For purposes of determining whether the written statement referred to in paragraph (a) of this section has been timely filed with the FAB, the statement will be considered to be "filed" on the date that the claimant mails it to the FAB, as determined by postmark, or on the date that such written statement is actually received by the FAB, whichever is the earliest determinable date.

### § 30.311 What happens if the claimant does not object to the recommended decision or request a hearing within 60 days?

(a) If the claimant does not file a written statement that objects to the recommended decision and/or requests a hearing within the period of time allotted in § 30.310, the FAB may issue a final decision accepting the recommendation of the district office as provided in § 30.316.

(b) If the recommended decision accepts all or part of a claim for compensation, the FAB may issue a final

### § 30.312 What will the FAB do if the claimant objects to the recommended decision but does not request a hearing?

If the claimant files a written statement that objects to the recommended decision within the period of time allotted in § 30.310 but does not request a hearing, the FAB will consider any objections by means of a review of the written record. If the claimant only objects to part of the recommended decision, the FAB may issue a final decision accepting the remaining part of the recommendation of the district office without first reviewing the written record (see § 30.316).

### § 30.313 How is a review of the written record conducted?

(a) The FAB reviewer will consider the written record forwarded by the district office and any additional evidence and/or argument submitted by the claimant. The reviewer may also conduct whatever investigation is deemed necessary.

(b) The claimant should submit, with his or her written statement that objects to the recommended decision, all evidence or argument that he or she wants to present to the reviewer. However, evidence or argument may be submitted at any time up to the date specified by the reviewer for the submission of such evidence or argument.

(c) Any objection that is not presented to the FAB reviewer, including any objection to HHS's reconstruction of the radiation dose to which the employee was exposed (if any), whether or not the pertinent issue was previously presented to the district office, is deemed waived for all purposes.

### § 30.314 How is a hearing conducted?

(a) The FAB reviewer retains complete discretion to set the time and place of the hearing, including the amount of time allotted for the hearing, considering the issues to be resolved. At the discretion of the reviewer, the hearing may be conducted by telephone or teleconference. As part
