

**§ 1000.122 May NAHASDA grant funds be used as matching funds to obtain and leverage funding, including any Federal or state program and still be considered an affordable housing activity?**

There is no prohibition in NAHASDA against using grant funds as matching funds.

**§ 1000.124 What maximum and minimum rent or homebuyer payment can a recipient charge a low-income rental tenant or homebuyer residing in housing units assisted with NAHASDA grant amounts?**

A recipient can charge a low-income rental tenant or homebuyer rent or homebuyer payments not to exceed 30 percent of the adjusted income of the family. The recipient may also decide to compute its rental and homebuyer payments on any lesser percentage of adjusted income of the family. This requirement applies only to units assisted with NAHASDA grant amounts. NAHASDA does not set minimum rents or homebuyer payments; however, a recipient may do so.

**§ 1000.126 May a recipient charge flat or income-adjusted rents?**

Yes, providing the rental or homebuyer payment of the low-income family does not exceed 30 percent of the family's adjusted income.

**§ 1000.128 Is income verification required for assistance under NAHASDA?**

(a) Yes, the recipient must verify that the family is income eligible based on anticipated annual income. The family is required to provide documentation to verify this determination. The recipient is required to maintain the documentation on which the determination of eligibility is based.

(b) The recipient may require a family to periodically verify its income in order to determine housing payments or continued occupancy consistent with locally adopted policies. When income verification is required, the family must provide documentation which verifies its income, and this documentation must be retained by the recipient.

**§ 1000.130 May a recipient charge a non low-income family rents or homebuyer payments which are more than 30 percent of the family's adjusted income?**

Yes. A recipient may charge a non low-income family rents or homebuyer payments which are more than 30 percent of the family's adjusted income.

**§ 1000.132 Are utilities considered a part of rent or homebuyer payments?**

Utilities may be considered a part of rent or homebuyer payments if a recipient decides to define rent or homebuyer payments to include utilities in its written policies on rents and homebuyer payments required by section 203(a)(1) of NAHASDA. A recipient may define rents and homebuyer payments to exclude utilities.

**§ 1000.134 When may a recipient (or entity funded by a recipient) demolish or dispose of current assisted stock?**

(a) A recipient (or entity funded by a recipient) may undertake a planned demolition or disposal of current assisted stock owned by the recipient or an entity funded by the recipient when:

(1) A financial analysis demonstrates that it is more cost-effective or housing program-effective for the recipient to demolish or dispose of the unit than to continue to operate or own it; or

(2) The housing unit has been condemned by the government which has authority over the unit; or

(3) The housing unit is an imminent threat to the health and safety of housing residents; or

(4) Continued habitation of a housing unit is inadvisable due to cultural or historical considerations.

(b) No action to demolish or dispose of the property other than performing the analysis cited in paragraph (a) of this section can be taken until HUD has been notified in writing of the recipient's intent to demolish or dispose of the housing units consistent with section 102(c)(4)(H) of NAHASDA. The written notification must set out the analysis used to arrive at the decision to demolish or dispose of the property and may be set out in a recipient's IHP or in a separate submission to HUD.
