§§ 570.422–425 [Reserved]

§ 570.426 Program income.

(a) The provisions of § 570.504(b) apply to all program income generated by a specific grant and received prior to grant closeout.

(b) If the unit of general local government has another ongoing CDBG grant at the time of closeout, the program income will be considered to be program income of the ongoing grant. The grantee can choose which grant to credit the program income to if it has multiple open CDBG grants.

(c) If the unit of general local government has no open ongoing CDBG grant at the time of closeout, program income of the unit of general local government or its subrecipients which amounts to less than \$25,000 per year will not be considered to be program income unless needed to repay a Section 108 guaranteed loan. When more than \$25,000 of program income is generated from one or more closed out grants in a year after closeout, the entire amount of the program income is subject to the requirements of this part. This will be a subject of the closeout agreement described in § 570.509(c).

§ 570.427 Program amendments.

(a) *HUD approval of certain program amendments.* Grantees shall request prior HUD approval for all program amendments involving new activities or alteration of existing activities that will significantly change the scope, location, or objectives of the approved

activities or beneficiaries. Approval is subject to the following:

(1) Programs or projects that include new or significantly altered activities are rated in accordance with the criteria for selection applicable at the time the original preapplication or application (whichever is applicable) was rated. The rating of the program or projects proposed which include the new or altered activities proposed by the amendment must be equal to or greater than the lowest rating received by a funded project or program during that cycle of ratings.

(2) Consideration shall be given to whether any new activity proposed can be completed promptly.

(3) If the grant was received on a non-competitive basis, the proposed amended project must be able to be completed promptly, and must meet all of the threshold requirements that were required for the original project. If the proposal is to amend the project to a type of project that was rated competitively in the fiscal year that the non-competitive project was funded, the new or altered activities proposed by the amendment must receive a rating equal to or greater than the lowest rating received by a funded project or program during that cycle of ratings.

(b) *Documentation of program amendments.* Any program amendments that do not require HUD approval must be fully documented in the grantee's records.

(c) *Citizen participation requirements.* Whenever an amendment requires HUD approval, the requirements for citizen participation in § 570.431 must be met.
