

## § 92.255

(8) *Contract to purchase.* If HOME funds are used to assist a homebuyer who has entered into a contract to purchase housing to be constructed, the homebuyer must qualify as a low-income family at the time the contract is signed.

(9) *Preserving affordability.* (i) Notwithstanding § 92.214(a)(6), to preserve the affordability of housing that was previously assisted with HOME funds and subject to the requirements of § 92.254(a), a participating jurisdiction may use additional HOME funds to acquire the housing through a purchase option, right of first refusal, or other preemptive right before foreclosure, or to acquire the housing at the foreclosure sale, to undertake any necessary rehabilitation, and to provide assistance to another homebuyer. The housing must be sold to a new eligible homebuyer in accordance with the requirements of § 92.254(a). Additional HOME funds may not be used if the mortgage in default was funded with HOME funds.

(ii) The total amount of original and additional HOME assistance may not exceed the maximum per-unit subsidy amount established under § 92.250. Alternatively to charging the cost to the HOME program under § 92.206, the participating jurisdiction may charge the cost to the HOME program under § 92.207, as a reasonable administrative cost of its HOME program, so that the additional HOME funds for the housing are not subject to the maximum per-unit subsidy amount.

(b) *Rehabilitation not involving acquisition.* Housing that is currently owned by a family qualifies as affordable housing only if:

(1) The estimated value of the property, after rehabilitation, does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section; and

(2) The housing is the principal residence of an owner whose family qualifies as a low-income family at the time HOME funds are committed to the housing.

(c) *Ownership interest.* The ownership in the housing assisted under this section must meet the definition of "homeownership" in § 92.2.

## 24 CFR Subtitle A (4-1-07 Edition)

(d) *New construction without acquisition.* Newly constructed housing that is built on property currently owned by a family which will occupy the housing upon completion, qualifies as affordable housing if it meets the requirements under paragraph (a) of this section.

### § 92.255 Converting rental units to homeownership units for existing tenants.

The participating jurisdiction may permit the owner of HOME-assisted rental units to convert the rental units to homeownership units by selling, donating, or otherwise conveying the units to the existing tenants to enable the tenants to become homeowners in accordance with the requirements of § 92.254. If no additional HOME funds are used to enable the tenants to become homeowners, the homeownership units are subject to a minimum period of affordability equal to the remaining affordable period if the units continued as rental units. If additional HOME funds are used to directly assist the tenants to become homeowners, the minimum period of affordability is the affordability period under § 92.254(a)(4), based on the amount of direct homeownership assistance provided.

### § 92.256 [Reserved]

### § 92.257 Faith-based activities.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOME program. Neither the Federal government nor a State or local government receiving funds under HOME programs shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(b) Organizations that are directly funded under the HOME program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the assistance funded under this part. If an organization conducts such activities, the activities must be offered
