

§ 983.54 Prohibition of assistance for units in subsidized housing.

A PHA may not attach or pay PBV assistance to units in any of the following types of subsidized housing:

- (a) A public housing dwelling unit;
- (b) A unit subsidized with any other form of Section 8 assistance (tenant-based or project-based);
- (c) A unit subsidized with any governmental rent subsidy (a subsidy that pays all or any part of the rent);
- (d) A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- (e) A unit subsidized with Section 236 rental assistance payments (12 U.S.C. 1715z-1). However, the PHA may attach assistance to a unit subsidized with Section 236 interest reduction payments;
- (f) A unit subsidized with rental assistance payments under Section 521 of the Housing Act of 1949, 42 U.S.C. 1490a (a Rural Housing Service Program). However, the PHA may attach assistance for a unit subsidized with Section 515 interest reduction payments (42 U.S.C. 1485);
- (g) A Section 202 project for non-elderly persons with disabilities (assistance under Section 162 of the Housing and Community Development Act of 1987, 12 U.S.C. 1701q note);
- (h) Section 811 project-based supportive housing for persons with disabilities (42 U.S.C. 8013);
- (i) Section 202 supportive housing for the elderly (12 U.S.C. 1701q);
- (j) A Section 101 rent supplement project (12 U.S.C. 1701s);
- (k) A unit subsidized with any form of tenant-based rental assistance (as defined at 24 CFR 982.1(b)(2)) (*e.g.*, a unit subsidized with tenant-based rental assistance under the HOME program, 42 U.S.C. 12701 *et seq.*);
- (l) A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or by the PHA in accordance with HUD requirements. For this purpose, "housing subsidy" does not include the housing component of a welfare payment; a social security payment; or a federal, state, or local tax concession (such as relief from local real property taxes).

§ 983.55 Prohibition of excess public assistance.

(a) *Subsidy layering requirements.* The PHA may provide PBV assistance only in accordance with HUD subsidy layering regulations (24 CFR 4.13) and other requirements. The subsidy layering review is intended to prevent excessive public assistance for the housing by combining (layering) housing assistance payment subsidy under the PBV program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits.

(b) *When subsidy layering review is conducted.* The PHA may not enter an Agreement or HAP contract until HUD or an independent entity approved by HUD has conducted any required subsidy layering review and determined that the PBV assistance is in accordance with HUD subsidy layering requirements.

(c) *Owner certification.* The HAP contract must contain the owner's certification that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for acquisition, development, or operation of the housing other than assistance disclosed in the subsidy layering review in accordance with HUD requirements.

§ 983.56 Cap on number of PBV units in each building.

(a) *25 percent per building cap.* Except as provided in paragraph (b) of this section, the PHA may not select a proposal to provide PBV assistance for units in a building or enter into an Agreement or HAP contract to provide PBV assistance for units in a building, if the total number of dwelling units in the building that will receive PBV assistance during the term of the PBV HAP is more than 25 percent of the number of dwelling units (assisted or unassisted) in the building.

(b) *Exception to 25 percent per building cap—(1) When PBV units are not counted against cap.* In the following cases, PBV units are not counted against the 25 percent per building cap:

- (i) Units in a single-family building;
- (ii) Excepted units in a multifamily building.
