§ 984.102 Program objectives.

The objective of the FSS program is to reduce the dependency of low-income families on welfare assistance and on Section 8, public, or any Federal, State, or local rent or homeownership subsidies. Under the FSS program, low-income families are provided opportunities for education, job training, counseling, and other forms of social service assistance, while living in assisted housing, so that they may obtain the education, employment, and business and social skills necessary to achieve self-sufficiency, as defined in § 984.103 of this subpart A. The Department will measure the success of a local FSS program not only by the number of families who achieve self-sufficiency, but also by the number of FSS families who, as a result of participation in the program, have family members who obtain their first job, or who obtain higher paying jobs; no longer need benefits received under one or more welfare programs; obtain a high school diploma or higher education degree; or accomplish similar goals that will assist the family in obtaining economic independence.
