

The Office of Navajo and Hopi Indian Relocation

§ 700.722

Temporary permits will not be transferred and shall be null and void if the term permit transferee does not sign the management plan agreeing to practice conservation management.

(c) Grazing permits may be assigned for transfer through a notarized document to an heir who meets the qualifications for a grazing permit under § 700.711.

(d) Grazing permits must be transferred in whole to a single transferee—the transferor relinquishing all grazing privileges at the time of transfer.

(e) The Commissioner may revoke or withdraw all or any part of a grazing permit by cancellation or modification on a 30 day written notice for violation of the permit or of the management plan, non-payment of grazing fees, violation of these regulations, or because of the termination of the trust status of the permitted land.

§ 700.717 Stocking rate.

The Commissioner will determine livestock carrying capacity for each range unit and set the stocking rate and adjust that rate as conditions warrant. The Commissioner may consult with the Tribe when making adjustments to the stocking rate.

§ 700.719 Establishment of grazing fees.

The Commissioner may establish a minimum acceptable grazing fee per SUYL. The Commissioner may consult with the Tribe prior to establishing fees.

§ 700.721 Range management plans.

The Commissioner (or his designee) and the permittees of each range unit will meet as a group and develop a Range Management Plan for the common use of the range unit. The plan will include but will not be limited to the following:

- (a) Goals for improving vegetative productivity.
- (b) Incentives for carrying out the goals.
- (c) Stocking rate.
- (d) Record of brands of livestock authorized to graze on the range unit.
- (e) Grazing plan and schedule.
- (f) Range monitoring schedule.
- (g) Wildlife management.

(h) Needs assessment for range and livestock improvements.

(i) Scheduling for operation and maintenance of existing range improvements.

§ 700.722 Grazing associations.

(a) The Commissioner may recognize, cooperate with, and assist range unit livestock associations in the management of livestock and range resources.

(b) These associations will provide the means for the members:

(1) To jointly manage their permitted livestock and the range resources,

(2) To meet jointly with the ONHIR range staff to discuss and formulate range management plans,

(3) To express their wishes through designated officers or committees,

(4) To share costs for handling livestock, construction of range improvements, fence and livestock facilities maintenance, and other land or livestock improvement projects agreed on, and

(5) To formulate association special rules needed to assure cooperation and resource management.

(c) The requirements for receiving recognition by the Commissioner are:

(1) The members of the association must be grazing permittees and constitute a majority of the grazing permittees on the range unit involved.

(2) The officers of the association must be elected by a majority of the association members or of a quorum as specified by the association's constitution and bylaws.

(3) The officers other than secretary and treasurer must be grazing permittees on the range unit involved.

(4) The association's activities must be governed by a constitution and bylaws acceptable to the Commissioner and signed by him.

(5) The association's constitution and bylaws must recognize conservation management goals and the need to follow a range unit management plan.

(d) The Commissioner may withdraw his recognition of the association whenever:

(1) The majority of the grazing permittees request that the association be dissolved.

(2) The association becomes inactive and does not meet in annual or special

§ 700.723

meetings during a consecutive two-year period.

(e) A recognized association may hold a grazing permit to benefit its members according to the rules of the association constitution and bylaws. All of the association's livestock will be run under an association brand properly registered with the Navajo Tribe and the ONHIR.

(f) Associations may acquire permits from consenting permittees on the range unit in accordance with § 700.711 and may assign or transfer these permits in accordance with § 700.715.

§ 700.723 Control of livestock disease and parasites.

Whenever livestock within the New Lands become infected with contagious or infectious disease or parasites or have been exposed thereto, such livestock must be treated and the movement thereof restricted by the responsible permittee in accordance with applicable laws.

§ 700.725 Livestock trespass.

The following acts are prohibited:

(a) The grazing of livestock upon, or driving of livestock across, any of the New Lands without a current approved grazing or crossing permit.

(b) The grazing of livestock upon an area specifically rested from the grazing of livestock according to the range unit Range Management Plan.

(c) The grazing of livestock upon any land withdrawn from use for grazing to protect it from damage after receipt of appropriate notice from the Commissioner.

(d) The grazing of livestock in excess of those numbers authorized on the livestock grazing permit approved by the Commissioner.

(e) Grazing of livestock whose brand is not recorded in the range unit Range Management Plan.

The owner of any livestock grazing in trespass on the New Lands is liable to a civil penalty of \$1 per head per day for each cow, bull, horse, mule or donkey and 25¢ per head per day for each sheep or goat in trespass and a reasonable value for damages to property injured or destroyed. The Commissioner may take appropriate action to collect all such penalties and damages and

25 CFR Ch. IV (4-1-07 Edition)

seek injunctive relief when appropriate. All payments for such penalties and damages shall be paid to the Commissioner for use as a range improvement fund.

§ 700.727 Impoundment and disposal of unauthorized livestock.

Unauthorized livestock within any range unit of the New Lands which are not removed therefrom within the periods prescribed by the regulation will be impounded and disposed of by the Commissioner as provided herein.

(a) When the Commissioner determines that unauthorized livestock use is occurring, and has definite knowledge of the kind of unauthorized livestock and knows the name and address of the owners, the owner shall be given written notice and a 10 day period shall be allowed for the permittee to solve the unauthorized use without penalty. If after this 10 day period the unauthorized use is not resolved, such livestock may be impounded at any time after five days after written Notice of Intent to Impound Unauthorized Livestock is mailed by certified mail or personally delivered to such owners or their agent.

(b) When the Commissioner determines that unauthorized livestock use is occurring, but does not have complete knowledge of the number and class of livestock, or if the name and address of the owner thereof are unknown, such livestock may be impounded at anytime after 15 days after the date a General Notice of Intent to Impound Unauthorized Livestock is first published in a local newspaper, posted at the nearest chapter house, and in one or more local trading posts.

(c) Unauthorized livestock on the New Lands which are owned by persons given notice under paragraph (a) of this section and any unauthorized livestock in areas for which notice has been posted and published under paragraph (b) of this section, will be impounded without further notice anytime within the 12-month period immediately following the effective date of the notice.

(d) Following the impoundment of unauthorized livestock, a notice of sale of impounded livestock or unauthorized livestock will be published in a local newspaper, posted at the nearest
