

Bureau of Indian Affairs, Interior

§ 83.13

(h)(1) If the Board finds that no petitioner's or interested party's request for reconsideration is timely, the Assistant Secretary's determination shall become effective and final for the Department 120 days from the publication of the final determination in the FEDERAL REGISTER.

(2) If the Secretary declines to request reconsideration under paragraph (f)(2) of this section, the Assistant Secretary's decision shall become effective and final for the Department as of the date of notification to all parties of the Secretary's decision.

(3) If a determination is reconsidered by the Assistant Secretary because of action by the Board remanding a decision or because the Secretary has requested reconsideration, the reconsidered determination shall be final and effective upon publication of the notice of this reconsidered determination in the FEDERAL REGISTER.

§ 83.12 Implementation of decisions.

(a) Upon final determination that the petitioner exists as an Indian tribe, it shall be considered eligible for the services and benefits from the Federal government that are available to other federally recognized tribes. The newly acknowledged tribe shall be considered a historic tribe and shall be entitled to the privileges and immunities available to other federally recognized historic tribes by virtue of their government-to-government relationship with the United States. It shall also have the responsibilities and obligations of such tribes. Newly acknowledged Indian tribes shall likewise be subject to the same authority of Congress and the United States as are other federally acknowledged tribes.

(b) Upon acknowledgment as an Indian tribe, the list of members submitted as part of the petitioners documented petition shall be the tribe's complete base roll for purposes of Federal funding and other administrative purposes. For Bureau purposes, any additions made to the roll, other than individuals who are descendants of those on the roll and who meet the tribe's membership criteria, shall be limited to those meeting the requirements of § 83.7(e) and maintaining significant social and political ties with the tribe

(i.e., maintaining the same relationship with the tribe as those on the list submitted with the group's documented petition).

(c) While the newly acknowledged tribe shall be considered eligible for benefits and services available to federally recognized tribes because of their status as Indian tribes, acknowledgment of tribal existence shall not create immediate access to existing programs. The tribe may participate in existing programs after it meets the specific program requirements, if any, and upon appropriation of funds by Congress. Requests for appropriations shall follow a determination of the needs of the newly acknowledged tribe.

(d) Within six months after acknowledgment, the appropriate Area Office shall consult with the newly acknowledged tribe and develop, in cooperation with the tribe, a determination of needs and a recommended budget. These shall be forwarded to the Assistant Secretary. The recommended budget will then be considered along with other recommendations by the Assistant Secretary in the usual budget request process.

§ 83.13 Information collection.

(a) The collections of information contained in § 83.7 have been approved by the Office of Management and Budget under 44 U.S.C. 3501 *et seq.* and assigned clearance number 1076-0104. The information will be used to establish historical existence as a tribe, verify family relationships and the group's claim that its members are Indian and descend from a historical tribe or tribes which combined, that members are not substantially enrolled in other Indian tribes, and that they have not individually or as a group been terminated or otherwise forbidden the Federal relationship. Response is required to obtain a benefit in accordance with 25 U.S.C. 2.

(b) Public reporting burden for this information is estimated to average 1,968 hours per petition, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments
