

§ 9033.9

(b) *Candidates receiving insufficient votes.* A candidate determined to be ineligible under 11 CFR 9033.5(b) by failing to obtain the required percentage of votes in two consecutive primaries may have his or her eligibility reestablished if the candidate receives at least 20 percent of the total number of votes cast for candidates of the same party for the same office in a primary election held subsequent to the date of the election which rendered the candidate ineligible.

(c) The Commission will make its determination under 11 CFR 9033.8 (a) or (b) without requiring the individual to reestablish eligibility under 11 CFR 9033.1 and 2. A candidate whose eligibility is reestablished under this section may submit, for matching payment, contributions received during ineligibility. Any expenses incurred during the period of ineligibility that would have been considered qualified campaign expenses if the candidate had been eligible during that time may be defrayed with matching payments.

§ 9033.9 Failure to comply with disclosure requirements or expenditure limitations.

(a) If the Commission receives information indicating that a candidate or his or her authorized committee(s) has knowingly and substantially failed to comply with the disclosure requirements of 2 U.S.C. 434 and 11 CFR part 104, or that a candidate has knowingly and substantially exceeded the expenditure limitations at 11 CFR part 9035, the Commission may make an initial determination to suspend payments to that candidate.

(b) The Commission will notify the candidate of its initial determination in accordance with the procedures outlined in 11 CFR 9033.10(b). The candidate will be given an opportunity, within 20 calendar days after service of the Commission's notice, to comply with the above cited provisions or to submit in accordance with 11 CFR 9033.10(b) written legal or factual materials to demonstrate that he or she is not in violation of those provisions.

(c) Suspension of payments to a candidate will occur upon a final determination by the Commission to suspend payments. Such final determina-

tion will be made in accordance with the procedures outlined in 11 CFR 9033.10(c).

(d)(1) A candidate whose payments have been suspended for failure to comply with reporting requirements may become entitled to receive payments if he or she subsequently files the required reports and pays or agrees to pay any civil or criminal penalties resulting from failure to comply.

(2) A candidate whose payments are suspended for exceeding the expenditure limitations shall not be entitled to receive further matching payments under 11 CFR 9034.1.

§ 9033.10 Procedures for initial and final determinations.

(a) *General.* The Commission will follow the procedures set forth in this section when making an initial or final determination based on any of the following reasons.

(1) The candidate has knowingly and substantially exceeded the expenditure limitations of 11 CFR part 9035 prior to the candidate's application for certification, as provided in 11 CFR 9033.3;

(2) The candidate has failed to satisfy the matching payment threshold requirements, as provided in 11 CFR 9033.4;

(3) The candidate is no longer actively seeking nomination in more than one state, as provided in 11 CFR 9033.6;

(4) The candidate is an active candidate in an upcoming primary despite the candidate's assertion to the contrary, as provided in 11 CFR 9033.7;

(5) The Commission receives information indicating that the candidate has knowingly and substantially failed to comply with the disclosure requirements or exceeded the expenditure limits, as provided in 11 CFR 9033.9; or

(6) The Commission receives information indicating that substantial assets of the candidate's authorized committee have been undervalued or not included in the candidate's statement of net outstanding campaign obligations or that the amount of outstanding campaign obligations has been otherwise overstated in relation to committee assets, as provided in 11 CFR 9034.5(g).

(b) *Initial determination.* If the Commission makes an initial determination that a candidate may not receive matching funds for one or more of the reasons indicated in 11 CFR 9033.10(a), the Commission will notify the candidate of its initial determination. The notification will give the legal and factual reasons for the determination and advise the candidate of the evidence on which the Commission's initial determination is based. The candidate will be given an opportunity to comply with the requirements at issue or to submit, within the time provided by the relevant section as referred to in 11 CFR 9033.10(a), written legal or factual materials to demonstrate that the candidate has satisfied those requirements. Such materials may be submitted by counsel if the candidate so desires.

(c) *Final determination.* The Commission will consider any written legal or factual materials timely submitted by the candidate before making its final determination. A final determination that the candidate has failed to satisfy the requirements at issue will be accompanied by a written statement of reasons for the Commission's action. This statement will explain the legal and factual reasons underlying the Commission's determination and will summarize the results of any investigation upon which the determination is based.

(d) *Effect on other determinations.* If the Commission makes an initial determination under this section, but decides to take no further action at that time, the Commission may use the legal and factual bases on which the initial determination was based in any future repayment determination under 11 CFR part 9038 or 9039. A determination by the Commission under this section may be independent of any Commission decision to institute an enforcement proceeding under 2 U.S.C. 437g.

(e) *Petitions for rehearing.* Following a final determination under this section, the candidate may file a petition for rehearing in accordance with 11 CFR 9038.5(a).

§ 9033.11 Documentation of disbursements.

(a) *Burden of proof.* Each candidate shall have the burden of proving that disbursements made by the candidate or his or her authorized committee(s) or persons authorized to make expenditures on behalf of the candidate or authorized committee(s) are qualified campaign expenses as defined in 11 CFR 9032.9. The candidate and his or her authorized committee(s) shall obtain and furnish to the Commission on request any evidence regarding qualified campaign expenses made by the candidate, his or her authorized committees and agents or persons authorized to make expenditures on behalf of the candidate or committee(s) as provided in paragraph (b) of this section.

(b) *Documentation required.* (1) For disbursements in excess of \$200 to a payee, the candidate shall present a canceled check negotiated by the payee and either:

(i) A receipted bill from the payee that states the purpose of the disbursement; or

(ii) If such a receipt is not available,

(A) One of the following documents generated by the payee: a bill, invoice, or voucher that states the purpose of the disbursement; or

(B) Where the documents specified in paragraph (b)(1)(ii)(A) of this section are not available, a voucher or contemporaneous memorandum from the candidate or the committee that states the purpose of the disbursement; or

(iii) Where the supporting documentation required in paragraphs (b)(1)(i) or (ii) of this section is not available, the candidate or committee may present collateral evidence to document the qualified campaign expense. Such collateral evidence may include, but is not limited to:

(A) Evidence demonstrating that the expenditure is part of an identifiable program or project which is otherwise sufficiently documented such as a disbursement which is one of a number of documented disbursements relating to a campaign mailing or to the operation of a campaign office; or

(B) Evidence that the disbursement is covered by a pre-established written campaign committee policy, such as a daily travel expense policy.
