### **§ 124.516 Who decides contract disputes arising between a Participant and a procuring activity after the award of an 8(a) contract?**

For purposes of the Disputes Clause of a specific 8(a) contract, the contracting officer is that of the procuring activity. A dispute arising between an 8(a) contractor and the procuring activity contracting officer will be decided by the procuring activity, and appeals may be taken by the 8(a) contractor without SBA involvement.

### **§ 124.517 Can the eligibility or size of a Participant for award of an 8(a) contract be questioned?**

(a) The eligibility of a Participant for a sole source or competitive 8(a) requirement may not be challenged by another Participant or any other party, either to SBA or any administrative forum as part of a bid or other contract protest.

(b) The size status of the apparent successful offeror for a competitive 8(a) procurement may be protested pursuant to § 121.1001(a)(2) of this chapter. The size status of a nominated Participant for a sole source 8(a) procurement may not be protested by another Participant or any other party.

(c) A Participant cannot appeal SBA's determination not to award it a specific 8(a) contract because the concern lacks an element of responsibility or is ineligible for the contract, other than the right set forth in § 124.501(h) to request a formal size determination where SBA cannot verify it to be small.

(d)(1) The SIC code assigned to a sole source 8(a) requirement may not be challenged by another Participant or any other party either to SBA or any administrative forum as part of a bid or contract protest. Only the AA/8(a)BD may appeal a SIC code designation with respect to a sole source 8(a) requirement.

(2) In connection with a competitive 8(a) procurement, any interested party who has been adversely affected by a SIC code designation may appeal the designation to SBA's OHA pursuant to § 121.1103 of this title.

(e) Anyone with information questioning the eligibility of a Participant to continue participation in the 8(a) BD program or for purposes of a specific 8(a) contract may submit such information to SBA under § 124.112(c).

### **§ 124.518 How can an 8(a) contract be terminated before performance is completed?**

(a) *Termination for default.* A decision to terminate a specific 8(a) contract for default can be made by the procuring activity contracting officer after consulting with SBA. The contracting officer must advise SBA of any intent to terminate an 8(a) contract for default in writing before doing so. SBA may provide to the Participant any program benefits reasonably available in order to assist it in avoiding termination for default. SBA will advise the contracting officer of this effort. Any procuring activity contracting officer who believes grounds for termination continue to exist may terminate the 8(a) contract for default, in accordance with the Federal Acquisition Regulations (48 CFR chapter 1). SBA will have no liability for termination costs or reprocurement costs.

(b) *Termination for convenience.* After consulting with SBA, the procuring activity contracting officer may terminate an 8(a) contract for convenience when it is in the best interests of the
