Subpart D—Program Examinations

§ 126.400 Who will conduct program examinations?

SBA field staff or others designated by the AA/HUB will conduct program examinations.

§ 126.401 What is a program examination and what will SBA examine?

(a) *General.* A program examination is an investigation by SBA officials, which verifies the accuracy of any certification made or information provided as part of the HUBZone application process or in connection with a HUBZone contract. Thus, examiners may verify that the concern currently meets the program's eligibility requirements, and that it met such requirements at the time of its application for certification, its most recent recertification, or its certification in connection with a HUBZone contract.

(b) *Scope of review.* Examiners may conduct the review, or parts of the review, at one or all of the concern's offices. SBA will determine the location of the examination. Examiners may review any information related to the concern's eligibility requirements including, but not limited to, documentation related to the location and ownership of the concern, the employee percentage requirements, and the concern's "attempt to maintain" (*see* § 126.103) this percentage. The concern must document each employee's residence address through employment records. The examiner also may review property tax, public utility or postal records, and other relevant documents. The concern must retain documentation demonstrating satisfaction of the employee residence and other quali-

fy requirements for 6 years from date of submission of the application and any recertifications issued to SBA.

§ 126.402 When may SBA conduct program examinations?

SBA may conduct a program examination at any time after the concern submits its application, during the processing of the application, and at any time while the concern is certified as a qualified HUBZone SBC.

[69 FR 29423, May 24, 2004]

§ 126.403 May SBA require additional information from a HUBZone SBC?

(a) At the discretion of the AA/HUB, SBA has the right to require that a HUBZone SBC submit additional information as part of the certification process, or at any time thereafter. SBA may draw an adverse inference from the failure of a HUBZone SBC to cooperate with a program examination or provide requested information.

(b) In order to gauge the success of the program, SBA requires that a HUBZone SBC submit updated financial information and information relating to the number of its employees.

Subpart E—Maintaining HUBZone Status

§ 126.500 How does a qualified HUBZone SBC maintain HUBZone certification?

Any qualified HUBZone SBC seeking to remain on the List must recertify every three years to SBA that it remains a qualified HUBZone SBC (*See* § 126.501 for ongoing obligations). Concerns wishing to remain in the program without any interruption must recertify their continued eligibility to SBA within 30 calendar days after the third anniversary of their date of certification and each subsequent three-year period. Failure to do so will result in SBA initiating decertification proceedings. Once decertified, the concern then would have to submit a new application for certification pursuant to § 126.309. The recertification to SBA must be in writing and must represent
