

(b) *Technical requirements.* A CEDS must be the result of a continuing economic development planning process, developed with broad-based and diverse public and private sector participation, and shall contain the following:

(1) A background of the economic development situation of the Region with a discussion of the economy, population, geography, workforce development and use, transportation access, resources, environment and other pertinent information;

(2) An in-depth analysis of economic and community development problems and opportunities, including:

(i) Incorporation of relevant material from other government-sponsored or supported plans and consistency with applicable State and local workforce investment strategies; and

(ii) An identification of past, present and projected future economic development investments in the Region covered;

(3) A section setting forth goals and objectives necessary to solve the economic development problems of the Region;

(4) A discussion of community and private sector participation in the CEDS effort;

(5) A section listing all suggested Projects and the projected numbers of jobs to be created as a result thereof;

(6) A section identifying and prioritizing vital Projects, programs and activities that address the Region's greatest needs or that will best enhance the Region's competitiveness, including sources of funding for past and potential future Investments;

(7) A section identifying economic clusters within the Region, focusing on those that are growing or in decline;

(8) A plan of action to implement the goals and objectives of the CEDS, including:

(i) Promoting economic development and opportunity;

(ii) Fostering effective transportation access;

(iii) Enhancing and protecting the environment;

(iv) Maximizing effective development and use of the workforce consistent with any applicable State or local workforce investment strategy;

(v) Promoting the use of technology in economic development, including access to high-speed telecommunications;

(vi) Balancing resources through sound management of physical development; and

(vii) Obtaining and utilizing adequate funds and other resources; and

(9) A list of performance measures used to evaluate the Planning Organization's successful development and implementation of the CEDS, including but not limited to the following:

(i) Number of jobs created after implementation of the CEDS;

(ii) Number and types of investments undertaken in the Region;

(iii) Number of jobs retained in the Region;

(iv) Amount of private sector investment in the Region after implementation of the CEDS; and

(v) Changes in the economic environment of the Region; and

(10) A section outlining the methodology for cooperating and integrating the CEDS with a State's economic development priorities.

(c) *Consideration of non-EDA funded CEDS.* (1) In determining the acceptability of a CEDS prepared independently of EDA Investment Assistance or oversight for Projects under parts 305 and 307 of this chapter, EDA may in its discretion determine that the CEDS is acceptable without fulfilling all the requirements of paragraph (b) of this section. In doing so, EDA shall consider the circumstances surrounding the application for Investment Assistance, including emergencies or natural disasters and the fulfillment of the requirements of section 302 of PWEDA.

(2) If the CEDS for a Project under parts 305 and 307 of this chapter is developed under another federally-supported program, it must include acceptable performance measures similar to those set forth in paragraph (b) of this section and information on the state of the Regional economy. To the maximum extent practicable, the CEDS shall be consistent and coordinated with any existing economic development plan for the Region.

### § 303.8 Requirements for State plans.

(a) As a condition of a State receiving a Planning Investment:

### § 303.9

(1) The State must have or develop a CEDS that meets the requirements of § 303.7;

(2) Any State plan developed with Planning Investment Assistance must, to the maximum extent practicable, be developed cooperatively by the State, political subdivisions of the State, and the Economic Development Districts located wholly or partially in the State; and

(3) The State must submit to EDA an annual report on any State plan receiving Planning Investment Assistance.

(b) Before awarding a Planning Investment to a State, EDA shall consider the extent to which the State will take into account local and District economic development plans.

#### § 303.9 Requirements for short-term Planning Investments.

(a) In addition to providing support for CEDS and State plans, EDA may also provide Investment Assistance to support short-term planning activities. EDA may provide such Investment Assistance to:

(1) Develop the economic development planning capacity of States, cities and other Eligible Applicants experiencing economic distress;

(2) Assist in institutional capacity building; or

(3) Undertake innovative approaches to economic development.

(b) Eligible activities may include but are not limited to updating a portion of a CEDS, economic analysis, development of economic development policies and procedures, and development of economic development goals.

(c) Applicants for short-term Planning Investments must provide performance measures acceptable to EDA that can be used to evaluate the success of the program and provide EDA with progress reports during the term of the Planning Investment, as set forth in the Investment agreement.

#### § 304.1 Designation of Economic Development Districts: Regional eligibility.

Upon the request of a District Organization (as defined in § 304.2), EDA may designate a Region as an Economic Development District if such Region:

(a) Contains at least one (1) geographic area that is subject to the economic distress criteria set forth in § 301.3(a)(1) of this chapter and is identified in an approved CEDS;

(b) Is of sufficient size or population and contains sufficient resources to foster economic development on a scale involving more than a single geographic area subject to the economic distress criteria set forth in § 301.3(a)(1) of this chapter;

(c) Has an EDA-approved CEDS that (1) Meets the requirements under § 303.7 of this chapter;

(2) Contains a specific program for intra-District cooperation, self-help, and public investment; and

(3) Is approved by each affected State and by the Assistant Secretary;

(d) Obtains commitments from at least a majority of the counties or other areas within the proposed District, as determined by EDA, to support the economic development activities of the District; and

(e) Obtains the concurrence with the designation request from the State (or States) in which the proposed District will be wholly or partially located.

#### § 304.2 District Organizations: Formation, organizational requirements and operations.

(a) *General.* A “District Organization” is an entity that satisfies the formation and organizational requirements under paragraphs (b) and (c) of this section.

(b) *Formation.* A District Organization must be organized as one of the following:
