

§ 314.5

13 CFR Ch. III (1–1–07 Edition)

§ 314.5 Federal Share.

For purposes of this part, “*Federal Share*” means that portion of the current fair market value of any Property (after deducting actual and reasonable selling and repair expenses, if any, incurred to put the Property into marketable condition) attributable to EDA’s participation in the Project. The Federal Share excludes that portion of the current fair market value of the Property attributable to acquisition or improvements before or after EDA’s participation in the Project, which are not included in the total Project costs. For example, if the total Project costs are \$100, consisting of \$50 of Investment Assistance and \$50 of Matching Share, the Federal Share is fifty (50) percent. If the Property is disposed of when its current fair market is \$250, the Federal Share is \$125 (*i.e.*, fifty (50) percent of \$250). If \$10 is spent to put the Property into salable condition, the Federal Share is \$120 (*i.e.*, fifty (50) percent of (\$250–\$10)).

§ 314.6 Encumbrances.

(a) *General.* Except as provided in paragraph (b) of this section or as otherwise authorized by EDA, Recipient-owned Property acquired or improved in whole or in part with Investment Assistance must not be used to secure a mortgage or deed of trust or in any way collateralized or otherwise encumbered, except to secure a grant or loan made by a Federal Agency or State agency or other public body participating in the same Project. An encumbrance includes but is not limited to easements, rights-of-way or other restrictions on the use of any Property.

(b) *Exceptions.* Subject to EDA’s approval, which will not be unreasonably withheld or unduly delayed, paragraph (a) of this section does not apply to:

(1) Recipient-owned Property that is subject to an encumbrance at the time EDA approves the Project, where EDA determines that the requirements of § 314.7(b) are met;

(2) Encumbrances arising solely from the requirements of a pre-existing water or sewer facility or other utility encumbrances, which by their terms extend to additional Property connected to such facilities; and

(3) Encumbrances in cases where all of the following are met:

(i) EDA, in its sole discretion, determines that there is good cause for a waiver of paragraph (a) of this section;

(ii) All proceeds secured by the encumbrance on the Property shall be available only to the Recipient and shall be used only for the Project for which the Investment Assistance applies or for related activities of which the Project is an essential part;

(iii) A grantor/lender will not provide funds without the security of a lien on the Property; and

(iv) There is a reasonable expectation, as determined by EDA, that the Recipient will not default on its obligations.

(c) Encumbering Recipient-owned Property, other than as permitted in this section, is an Unauthorized Use of the Property under § 314.4.

Subpart B—Real Property

§ 314.7 Title.

(a) *General.* The Recipient must hold title to the Real Property required for a Project at the time the Investment Assistance is awarded or as provided by paragraph (c) of this section and must maintain title at all times during the Estimated Useful Life of the Project, except in those limited circumstances as provided in paragraph (c) of this section. The Recipient must also furnish evidence, satisfactory in form and substance to EDA, that title to Real Property required for a Project (other than property of the United States) is vested in the Recipient and that any easements, rights-of-way, State or local government permits, long-term leases or other items required for the Project have been or will be obtained by the Recipient within an acceptable time, as determined by EDA.

(b)(1) The Recipient must disclose to EDA all encumbrances, including but not limited to the following:

(i) Liens;

(ii) Mortgages;

(iii) Reservations;

(iv) Reversionary interests; and

(v) Other restrictions on title or on the Recipient’s interest in the Property.
