### § 1630.7 Identification requirements.

(a) *In person.* An individual should be prepared to identify himself or herself by signature, *i.e.*, to note by signature the date of access, Social Security number, and to produce one photographic form of identification (driver's license, employee identification, annuitant card, passport, etc.). If an individual is unable to produce adequate identification, the individual must sign a statement asserting his or her identity and acknowledging that knowingly or willfully seeking or obtaining access to records about another person under false pretenses may result in a fine of up to \$5,000 (see § 1630.18). In addition, depending upon the sensitivity of the records, the Privacy Act Officer or record keeper designee after consulting with the appropriate system manager may require further reasonable assurances, such as statements of other individuals who can attest to the identity of the requester.

(b) *In writing.* An individual shall provide his or her name, date of birth, and Social Security number and shall sign the request. If a request for access is granted by mail and, in the opinion of the Privacy Act Officer or record keeper designee after consulting with the appropriate system manager, the disclosure of the records through the mail may result in harm or embarrassment (if a person other than the subject individual were to receive the records), a notarized statement of identity or some other similar assurance of identity will be required.

(c) *By telephone.* (1) Telephone identification procedures apply only to requests from participants and spouses, former spouses, or beneficiaries of participants for information in FRTIB-1, Thrift Savings Plan Records, which is retrieved by their respective Social Security numbers.
