

§ 831.304

5 CFR Ch. I (1-1-07 Edition)

(2) The employee, Member, or survivor makes a deposit (or redeposit) for the full period of service. If more than one distinct period of service is covered by a single refund, the periods of service covered by that refund are considered to be single full periods of service. However, in all other instances, a distinct period of nondeduction civilian service (i.e., a period of nondeduction service that is not interrupted by a break in service of more than three days) and a distinct period of redeposit civilian service (i.e., a period of redeposit service that is not interrupted by a break in service of more than three days) are considered as separate full periods of service, even when they are immediately consecutive. A period of nondeduction service which begins before October 1, 1982, and ends on or after that date is also considered two full periods of service: one ending on September 30, 1982, and the other beginning on October 1, 1982.

(c)(1) An employee or Member who has not completed payment of a redeposit for refunded deductions based on a period of service that ended before October 1, 1990, will receive credit for that service in computing the nondisability annuity for which the individual is eligible under subchapter III of chapter 83 of title 5, United States Code, provided the nondisability annuity commences after December 1, 1990.

(2) The beginning monthly rate of annuity payable to a retiree whose annuity includes service credited in accordance with paragraph (c)(1) of this section will be reduced by an amount equal to the redeposit owed, or unpaid balance thereof, divided by the present value factor for the retiree's attained age (in full years) at the time of retirement. The reduced monthly rate will then be rounded down to the next lower dollar amount and becomes the rate of annuity payable.

(3) For the purpose of paragraph (b)(2) of this section, the terms "present value factor" and "time of retirement" have the same meaning as in § 831.2202.

(d)(1) *Civilian and military service of an individual affected by an erroneous retirement coverage determination.* An employee or survivor who owed a deposit under section 8411(c)(1)(B) or 8411(f) of

title 5, United States Code (FERS rules) for:

(i) Civilian service that was not subject to retirement deductions, or

(ii) Military service performed after December 31, 1956, will receive credit for the service without payment of the deposit if, because of an erroneous retirement coverage determination, the service is subsequently credited under chapter 83 of title 5, United States Code (CSRS rules).

(2)(i) The beginning monthly rate of annuity payable to a retiree whose annuity includes service credited under paragraph (d)(1) of this section and service creditable under CSRS rules that would not be creditable under FERS rules is reduced by an amount equal to the CSRS deposit owed, or unpaid balance thereof, divided by the present value factor for the retiree's age (in full years) at the time of retirement. The result is rounded to the next highest dollar amount, and is the monthly actuarial reduction amount.

(ii)(A) The beginning monthly rate of annuity payable to a survivor whose annuity includes service credited under paragraph (d)(1) of this section is reduced by an amount equal to the CSRS deposit owed, or unpaid balance thereof, divided by the present value factor for the survivor's age (in full years) at the time of death. The result is rounded to the next highest dollar amount, and is the monthly actuarial reduction amount.

(B) The survivor annuity is not reduced if the employee annuity was reduced under paragraph (d)(2)(i) of this section.

(3) For the purpose of paragraph (d)(2) of this section, the terms "present value factor" and "time of retirement" have the same meaning as in § 831.2202 of this chapter.

(a) *Definitions and special usages.* In this section—

Office of Personnel Management

§ 831.305

\$30 per month for any month in excess of 21.

(2) *Cadet Nurse Corps service* means any student or graduate nurse training, in a non-Federal institution, as a participant in a plan approved under section 2 of the Act of June 15, 1943 (57 Stat. 153).

(3) *CSRS* means the Civil Service Retirement System.

(b) *Conditions for creditability*. As provided by Pub. L. 99-638, an individual who performed service with the Cadet Nurse Corps is entitled to credit under CSRS if—

(1) The service as a participant in the Corps totaled 2 years or more;

(2) The individual submits an application for service credit to OPM no later than January 10, 1988;

(3) The individual is employed by the Federal Government in a position subject to CSRS at the time he or she applies to OPM for service credit; and

(4) The individual makes a deposit for the service before separating from the Federal Government for retirement purposes. Contrary to the policy “deeming” the deposit to be made for alternative annuity computation purposes, these deposits must be physically in the possession of the individual’s employing agency before his or her separation for retirement purposes.

(c) *Processing the application for service credit*. Upon receiving an application requesting credit for service with the Cadet Nurse Corps, OPM will determine whether all conditions for creditability have been met, compute the deposit (including any interest) as specified by sections 8334(e) (2) and (3) of title 5, United States Code, based upon the appropriate percentage of basic pay that would have been deducted from the individual’s pay at the time the service was performed, and advise the agency and the employee of the total amount of the deposit due.

(d) *Agency collection and submission of deposit*. (1) The individual’s employing agency must establish a deposit account showing the total amount due and a payment schedule (unless deposit is made in one lump sum), and record the date and amount of each payment.

(2) If the individual cannot make payment in one lump sum, the employing agency must accept installment pay-

ments (by allotments or otherwise). However, the employing agency is not required to accept individual checks in amounts less than \$50.

(3) If the employee dies before completing the deposit, the surviving spouse may elect to complete the payment to the employing agency in one lump sum; however, the surviving spouse will not be able to initiate an application for such service credit.

(4) Payments received by the employing agency must be remitted to OPM immediately for deposit to the Civil Service Retirement and Disability Fund.

(5) Once the employee’s deposit has been paid in full or closed out, the employing agency must submit the documentation pertaining to the deposit to OPM in accordance with published instructions.
