§ 5.3 Requirements for making requests.

(a) *How made and addressed.* You may make a request for records of the Department by writing directly to the Department component that maintains those records. For additional information about the FOIA, you may refer directly to the statute. If you are making a request for records about yourself, see § 5.21(d) for additional requirements. If you are making a request for records about another individual, either a written authorization signed by that individual permitting disclosure of those records to you or proof that that individual is deceased (for example, a copy of a death certificate or an obituary) must be submitted. Your request should be sent to the component's FOIA office at the address listed in appendix A to part 5. In most cases, your FOIA request should be sent to a component's central FOIA office. (The functions of each component are summarized elsewhere in this title and in the description of the Department and its components in the "United States Government Manual," which is issued annually and is available in most libraries, as well as for sale from the Government Printing Office's Superintendent of Documents. This manual also can be accessed electronically at the Government Printing Office's World Wide Web site (which can be found at http://www.access.gpo.gov/su_docs.) If you cannot determine where within the Department to send your request, you may send it to the Departmental Disclosure Officer, Department of Homeland Security, Washington, DC 20528. That office will forward your request to the component(s) it believes most likely to have the records that you want. Your request will be considered received as of the date it is received by the proper component's FOIA office. For the quickest possible handling, you should mark both your request letter and the envelope "Freedom of Information Act Request."

(b) *Description of records sought.* You must describe the records that you seek in enough detail to enable Department personnel to locate them with a reasonable amount of effort. Whenever possible, your request should include
