(a) The Service will determine whether an alien was continuously physically present in the United States from November 6, 1986, through May 4, 1988, based on the evidence provided by the alien. An alien must provide with the application evidence establishing his or her continuous physical presence in the United States from November 6, 1986, through May 4, 1988. Evidence establishing the alien's continuous phys-

(b) For purposes of this section, an alien shall not be considered to have failed to maintain continuous physical presence in the United States by virtue of brief, casual, and innocent absences from the United States. (c) An alien who has been absent from the United States in accordance with the Service's advance parole procedures shall not be considered as having interrupted his or her continuous physical presence as required at the time of filing an application under this section.
