

(e) *Public cash assistance and criminal history verification.* Declarations by an alien that he or she has not been the recipient of public cash assistance and/or has not had a criminal record are subject to a verification by the Service. The alien must agree to fully cooperate in the verification process. Failure to assist the Service in verifying information necessary for proper adjudication may result in denial of the application.

[66 FR 29673, June 1, 2001, as amended at 67 38351, June 4, 2002]

§ 245a.19 Interviews.

(a) All aliens filing applications for adjustment of status with the Service under this section must be personally interviewed, except that the adjudicative interview may be waived for a child under the age of 14, or when it is impractical because of the health or advanced age of the applicant. Applicants will be interviewed by an immigration officer as determined by the Director of the Missouri Service Center. An applicant failing to appear for the scheduled interview may, for good cause, be afforded another interview. Where an applicant fails to appear for two scheduled interviews, his or her application shall be denied for lack of prosecution. Applications for LIFE Legalization adjustment may be denied without interview if the applicant is determined to be statutorily ineligible.

(b) At the time of the interview, wherever possible, original documents must be submitted except the following: official government records; employment or employment-related records maintained by employers, unions, or collective bargaining organizations; medical records; school records maintained by a school or school board; or other records maintained by a party other than the applicant. Copies of records maintained by parties other than the applicant which are submitted in evidence must be certified as true and correct by such parties and must bear their seal or signature or the signature and title of persons authorized to act in their behalf.

(c) If at the time of the interview the return of original documents is desired by the applicant, they must be accompanied by notarized copies or copies

certified true and correct by the alien's representative. At the discretion of the district director, original documents, even if accompanied by certified copies, may be temporarily retained for forensic examination by the Service.

§ 245a.20 Decisions, appeals, motions, and certifications.

(a) *Decisions.*—(1) *Approval of applications.* If the Service approves the application for adjustment of status under LIFE Legalization, the district director shall record the alien's lawful admission for permanent residence as of the date of such approval and notify the alien accordingly. The district director shall also advise the alien regarding the delivery of his or her Form I-551, Permanent Resident Card, and of the process for obtaining temporary evidence of alien registration. If the alien has previously been issued a final order of exclusion, deportation, or removal, such order shall be deemed canceled as of the date of the district director's approval of the application for adjustment of status. If the alien had been in exclusion, deportation, or removal proceedings that were administratively closed, such proceedings shall be deemed terminated as of the date of approval of the application for adjustment of status by the district director.

(2) *Denials.* The alien shall be notified in writing of the decision of denial and of the reason(s) therefor. When an adverse decision is proposed, the Service shall notify the applicant of its intent to deny the application and the basis for the proposed denial. The applicant will be granted a period of 30 days from the date of the notice in which to respond to the notice of intent to deny. All relevant material will be considered in making a final decision. If inconsistencies are found between information submitted with the adjustment application and information previously furnished by the alien to the Service, the alien shall be afforded the opportunity to explain discrepancies or rebut any adverse information. An applicant affected under this part by an adverse decision is entitled to file an appeal on Form I-290B, Notice of Appeal to the Administrative Appeals Office (AAO), with required fee specified in § 103.7(b)(1) of this chapter.
