

(b) *Assignments of securities registered in name of natural guardian of minor.* Securities registered in the name of a natural guardian of a minor may be assigned by the natural guardian for any authorized transaction except one for the apparent benefit of the natural guardian. If the natural guardian in whose name the securities are registered is deceased or is no longer qualified to act as natural guardian, the securities may be assigned by the person then acting as natural guardian. The assignment by the new natural guardian should be supported by proof of the death or disqualification of the former natural guardian and by evidence of his own status as natural guardian. (Form PD 2481 may be used for this purpose.) No assignment by a natural guardian will be accepted after receipt of notice of the minor's attainment of majority, removal of his disability of minority, disqualification of the natural guardian to act as such, qualification of a legal guardian or similar representative, or the death of the minor.

(c) *Assignments by voluntary guardian of incompetents.* Registered securities belonging to an incompetent for whose estate no legal guardian or similar representative is legally qualified may be assigned by the relative responsible for his care and support or some other person as voluntary guardian:

(1) For redemption, if the proceeds of the securities are needed to pay expenses already incurred, or to be incurred during any 90-day period, for the care and support of the incompetent or his legal dependents.

(2) For redemption-exchange, if the securities are matured or have been called, or pursuant to an advance refunding or prerefunding offer, for reinvestment in other securities to be registered in the form "A, an incompetent (123-45-6789) under voluntary guardianship."

An application on Form PD 1461 by the person seeking authority to act as voluntary guardian will be required.

(d) *Assignments by legal guardians of minors or incompetents.* Securities registered in the name and title of the legal guardian or similar representative of the estate of a minor or incompetent may be assigned by the rep-

resentative for any authorized transaction without proof of his qualification. Assignments by a representative of any other securities belonging to a minor or incompetent must be supported by properly certified evidence of qualification. The evidence must be dated not more than 1 year before the date of the assignments and must contain a statement showing the appointment is in full force unless (1) it shows the appointment was made not more than 1 year before the date of the assignment, or (2) the representative or a corepresentative is a corporation. An assignment by the representative will not be accepted after receipt of notice of termination of the guardianship, except for transfer to the former ward.

#### § 306.58 Nontransferable securities.

The provisions of this subpart, so far as applicable, govern transactions in Treasury Bonds, Investment Series B-1975-80.

### Subpart H—Assignments in Behalf of Estates of Deceased Owners

#### § 306.65 Decedent's estate.

(a) *Estate is being administered.* (1) A legal representative of a deceased owner's estate may request payment of matured securities to the estate, or may assign securities to or for the benefit of the persons entitled.

(2) Appropriate proof of appointment for the legal representative of the estate is required. Letters of appointment must be dated not more than one year prior to the date of submission of the letters of appointment.

(b) *Estate has been settled previously.* If the estate has been settled previously through judicial proceedings, the persons entitled may request payment of matured securities, or may request assignment of unmatured securities. A certified copy of the court-approved final accounting for the estate, the court's decree of distribution, or other appropriate evidence is required.

(c) *Special provisions under the law of the jurisdiction of the decedent's domicile.* If there is no formal or regular administration and no representative of the

estate is to be appointed, the person appointed to receive or distribute the assets of a decedent's estate without regular administration under summary or small estates procedures under applicable local law may request payment of matured securities, or may request assignment of the securities. Appropriate evidence is required.

(d) *When administration is required.* If the total redemption value of the Treasury securities and undelivered payments, if any, held directly on our records that are the property of the decedent's estate is greater than \$100,000, administration of the decedent's estate will be required. The redemption value of savings bonds and the principal amount of marketable securities will be used to determine the value of securities, and will be determined as of the date of death. Administration may also be required at the discretion of the Department for any case.

(e) *Voluntary representative for small estates that are not being otherwise administered*—(1) *General.* A voluntary representative is a person qualified according to paragraph (e)(3) of this section, to request payment of a decedent's matured securities or to make an assignment of a decedent's unmatured securities. The voluntary representative procedures are for the convenience of the Department; entitlement to the decedent's securities and held payments, if any, is determined by the law of the jurisdiction in which the decedent was domiciled at the date of death. Voluntary representative procedures may be used only if:

(i) There has been no administration, no administration is contemplated, and no summary or small estate procedures under applicable local law have been used;

(ii) The total redemption value of the Treasury securities and held payments, if any, held directly on our records that are the property of the decedent's estate is \$100,000 or less as of the date of death; and

(iii) There is a person eligible to serve as the voluntary representative according to paragraph (e)(3) of this section.

(2) *Authority of voluntary representative.* A voluntary representative may:

(i) Request payment of the decedent's matured securities on behalf of the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death;

(ii) Assign the decedent's securities to the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death.

(3) *Order of precedence for voluntary representative.* An individual eighteen years of age or older may act as a voluntary representative according to the following order of precedence: a surviving spouse; if there is no surviving spouse, then a child of the decedent; if there are none of the above, then a descendant of a deceased child of the decedent; if there are none of the above, then a parent of the decedent; if there are none of the above, then a brother or sister of the decedent; if there are none of the above, then a descendant of a deceased brother or sister of the decedent; if there are none of the above, then a next of kin of the decedent, as determined by the law of the jurisdiction in which the decedent was domiciled at the date of death. As used in this order of precedence, child means a natural or adopted child of the decedent.

(4) *Liability.* By serving, the voluntary representative warrants that the distribution of payments or securities is to or on behalf of the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death. The United States is not liable to any person for the improper distribution of payments or securities. Upon payment or assignment of the securities at the request of the voluntary representative, the United States is released to the same extent as if it had paid or delivered to a representative of the estate appointed pursuant to the law of the jurisdiction in which the decedent was domiciled at the date of death. The voluntary representative shall indemnify and hold harmless the United States and all creditors and persons entitled to the estate of the decedent. The amount of the indemnification is limited to an amount no greater than the value received by the voluntary representative.

(f) *Creditor*. If there has been no administration, no administration is contemplated, no summary or small estate procedures under applicable local law have been used, and there is no person eligible to serve as a voluntary representative pursuant to paragraph (e) of this section, then a creditor may make a claim for the amount of the debt, providing the debt has not been barred by applicable local law. The claim may only be satisfied by the proceeds of matured securities.

§§ 306.66–306.67 [Reserved]

§ 306.68 **Nontransferable securities.**

The provisions of this subpart, so far as applicable, govern transactions in Treasury Bonds, Investment Series B-1975-80.

**Subpart I—Assignments by or in Behalf of Trustees and Similar Fiduciaries**

§ 306.75 **Individual fiduciaries.**

(a) *General*. Securities registered in, or assigned to, the names and titles of individual fiduciaries will be accepted for any authorized transaction upon assignment by the designated fiduciaries without proof of their qualification. If the fiduciaries in whose names the securities are registered, or to whom they have been assigned, have been succeeded by other fiduciaries, evidence of successorship must be furnished. If the appointment of a successor is not required under the terms of the trust instrument or otherwise and is not contemplated, assignments by the surviving or remaining fiduciary or fiduciaries must be supported by appropriate proof. This requires:

(1) Proof of the death, resignation, removal or disqualification of the former fiduciary and

(2) Evidence that the surviving or remaining fiduciary or fiduciaries are fully qualified to administer the fiduciary estate, which may be in the form of a certificate by them showing the appointment of a successor has not been applied for, is not contemplated and is not necessary under the terms of the trust instrument or otherwise.

Assignments of securities registered in the titles, without the names of the fiduciaries, for example, “Trustees of the George E. White Memorial Scholarship Fund under deed of trust dated 11/10/40, executed by John W. White,” must be supported by proof that the assignors are the qualified and acting trustees of the designated trust estate, unless they are empowered to act as a unit in which case the provisions of § 306.76 shall apply. (Form PD 2446 may be used to furnish proof of incumbency of fiduciaries.) Assignments by fiduciaries of securities not registered or assigned in such manner as to show that they belong to the estate for which the assignors are acting must also be supported by evidence that the estate is entitled to the securities.

(b) *Life tenants*. Upon termination of a life estate by reason of the death of the life tenant in whose name a security is registered, or to whom it has been assigned, the security will be accepted for any authorized transaction upon assignment by the remainderman, supported by evidence of entitlement.

§ 306.76 **Fiduciaries acting as a unit.**

Securities registered in the name of or assigned to a board, committee or other body authorized to act as a unit for any public or private trust estate may be assigned for any authorized transaction by anyone authorized to act in behalf of such body. Except as otherwise provided in this section, the assignments must be supported by a copy of a resolution adopted by the body, properly certified under its seal, or, if none, sworn to by a member of the body having access to its records. (Form PD 2495 may be used.) If the person assigning is designated in the resolution by title only, his incumbency must be duly certified by another member of the body. (Form PD 2446 may be used.) If the fiduciaries of any trust estate are empowered to act as a unit, although not designated as a board, committee or other body, securities registered in their names or assigned to them as such, or in their titles without their names, may be assigned by anyone authorized by the group to act in its behalf. Such assignments may be supported by a sworn copy of a resolution adopted by the
