(b) *Other definitions.* The following definitions also apply to this part:

*Accredited* means the status of public recognition which a nationally recognized accrediting agency or association grants to an institution which meets certain established qualifications and educational standards.

*Graduate* means a student who has attended an institution for at least three semesters and fulfilled academic requirements for undergraduate studies in not more than five consecutive school years.

*Junior or community college* means an institution of higher education that—

(i) Admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located and who have the ability to benefit from the training offered by the institution;

(ii) Does not provide an educational program for which it awards a bachelor’s degree or an equivalent degree; and

(iii) Provides an educational program of not less than 2 years that is acceptable for full credit toward such a degree; or offers a 2-year program in engineering, mathematics, or the physical or biological sciences, designed to prepare a student to work as a technician or at the semiprofessional level in engineering, scientific, or other technological fields requiring the understanding and application of basic engineering, scientific, or mathematical principles of knowledge.

*Pell Grant* means the grant program authorized by Title IV-A-1 of the Higher Education Act of 1965, as amended.

*Preaccredited* means a status, also called candidacy status, that a nationally recognized accrediting agency or association, recognized by the Secretary to grant that status, has accorded an unaccredited institution that is making reasonable progress toward accreditation.

*School year* means the period of time from July 1 of one calendar year through June 30 of the subsequent calendar year. (A “school year” is equivalent to an “award year” under the Pell Grant Program.)

**Subpart B—What Kind of Projects Does the Secretary Fund?**

**§ 608.10 What activities may be carried out under a grant?**

(a) *Allowable activities.* Except as provided in paragraph (b) of this section, a grantee may carry out the following activities under this part—

(1) Purchase, rental, or lease of scientific or laboratory equipment for educational purposes, including instructional or research purposes;

(2) Construction, maintenance, renovation, and improvement in classroom, library, laboratory, and other instructional facilities, including purchase or rental of telecommunications technology equipment or services;

(3) Support of faculty exchanges, faculty development and faculty fellowships to assist these faculty members in attaining advanced degrees in their fields of instruction;

(4) Academic instruction in disciplines in which Black Americans are underrepresented;

(5) Purchase of library books, periodicals, microfilm, and other educational materials, including telecommunications program materials;

(6) Tutoring, counseling, and student service programs designed to improve academic success;

(7) Funds and administrative management, and acquisition of equipment for use in strengthening funds management;

(8) Joint use of facilities, such as laboratories and libraries;

(9) Establishing or improving a development office to strengthen or improve contributions from alumni and the private sector;

(10) Establishing or enhancing a program of teacher education designed to qualify students to teach in a public elementary or secondary school in the State that shall include, as part of the program, preparation for teacher certification;

(11) Establishing community outreach programs that will encourage elementary and secondary students to

develop the academic skills and the interest to pursue postsecondary education; and

(12) Other activities that it proposes in its application that contribute to carrying out the purpose of this part and are approved by the Secretary as part of the review and acceptance of the application.

(b) *Unallowable activities.* A grantee may not carry out the following activities under this part—

(1) Activities that are not included in the grantee's approved application;

(2) Activities described in paragraph (a)(12) of this section that are not approved by the Secretary;

(3) Activities that are inconsistent with any State plan of higher education that is applicable to the institution;

(4) Activities that are inconsistent with a State plan for desegregation of higher education that is applicable to the institution;

(5) Activities or services that relate to sectarian instruction or religious worship; and

(6) Activities provided by a school or department of divinity. For the purpose of this section, a "school or department of divinity" means an institution, or a department of an institution, whose program is specifically for the education of students to prepare them to become ministers of religion or to enter upon some other religious vocation, or to prepare them to teach theological subjects.

(c) No award under this part may be used for telecommunications technology equipment, facilities or services, if such equipment, facilities or services are available pursuant to section 396(k) of the Communications Act of 1934.

(d) *Endowment funds.* If a grantee uses part of its grant funds to establish or increase an endowment fund, it is subject to the provisions of §§ 628.3, 628.6, 628.10 and 628.41 through 628.47 of this chapter with regard to the use of those funds, except—

(1) The definition of the term "endowment fund income" in § 628.6 of this chapter does not apply. For the purposes of this paragraph (d), "endowment fund income" means an amount equal to the total value of the fund, in-

cluding fund appreciation and retained interest and dividends, minus the endowment fund corpus;

(2) Instead of the requirement in § 628.10(a) of this chapter, the grantee institution must match each dollar of Federal grant funds used to establish or increase an endowment fund with one dollar of non-Federal funds; and

(3) Instead of the requirements in § 628.41(a)(3) through (a)(5) and the introductory text in § 628.41(b) and § 628.41(b)(2) and (b)(3) of this chapter, if a grantee institution decides to use any of its grant funds for endowment purposes, it must match those grant funds immediately with non-Federal funds when it places those funds into its endowment fund.

### Subpart C—How Does an Eligible Institution Apply for a Grant?

#### § 608.20 What are the application requirements for a grant under this part?

In order to receive a grant under this part, an institution must submit an application to the Secretary at such time and in such manner as the Secretary may prescribe. The application must contain—

(a) A description of the activities to be carried out with grant funds;

(b) A description of how the grant funds will be used so that they will supplement and, to the extent practical, increase the funds that would otherwise be made available for the activities to be carried out under the grant and in no case supplant those funds;

(c) (1) A comprehensive development plan as described in § 608.21; or

(2) If an applicant has already submitted a comprehensive development plan as described in § 608.21, a description of the progress the applicant has
