

§ 645.12

(1) Instruction in subjects other than those listed in § 645.11(a) that are necessary for success in education beyond high school;

(2) Personal counseling;

(3) Academic advice and assistance in secondary school course selection;

(4) Tutorial services;

(5) Exposure to cultural events, academic programs, and other educational activities not usually available to disadvantaged youths;

(6) Activities designed to acquaint youths participating in the project with the range of career options available to them;

(7) Instruction designed to prepare youths participating in the project for careers in which persons from disadvantaged backgrounds are particularly underrepresented;

(8) Mentoring programs involving elementary or secondary school teachers, faculty members at institutions of higher education, students, or any combination of these persons and other professional individuals; and

(9) Programs and activities such as those described in paragraphs (b)(1) through (b)(8) of this section that are specifically designed for individuals with limited proficiency in English.

§ 645.12 How are regular Upward Bound projects organized?

(a) Regular Upward Bound projects—

(1) Must provide participants with a summer instructional component that is designed to simulate a college-going experience for participants, and an academic year component; and

(2) May provide a summer bridge component to those Upward Bound participants who have graduated from secondary school and intend to enroll in an institution of higher education in the following fall term. A summer bridge component provides participants with services and activities, including college courses, that aid in the transition from secondary education to postsecondary education.

(b) A summer instructional component shall—

(1) Be six weeks in length unless the grantee can demonstrate to the Secretary that a shorter period will not hinder the effectiveness of the project

34 CFR Ch. VI (7-1-07 Edition)

nor prevent the project from achieving its goals and objectives, and the Secretary approves that shorter period; and

(2) Provide participants with one or more of the services described in § 645.11 at least five days per week.

(c)(1) Except as provided in paragraph (c)(2) of this section, an academic year component shall provide program participants with one or more of the services described in § 645.11 on a weekly basis throughout the academic year and, to the extent possible, shall not prevent participants from fully participating in academic and nonacademic activities at the participants' secondary school.

(2) If an Upward Bound project's location or the project's staff are not readily accessible to participants because of distance or lack of transportation, the grantee may, with the Secretary's permission, provide project services to participants every two weeks during the academic year.

(Authority: 20 U.S.C. 1070a-13)

§ 645.13 What additional services do Upward Bound Math and Science Centers provide and how are they organized?

(a) In addition to the services that must be provided under § 645.11(a) and may be provided under § 645.11(b), an Upward Bound Math and Science Center must provide—

(1) Intensive instruction in mathematics and science, including hands-on experience in laboratories, in computer facilities, and at field-sites;

(2) Activities that will provide participants with opportunities to learn from mathematicians and scientists who are engaged in research and teaching at the applicant institution, or who are engaged in research or applied science at hospitals, governmental laboratories, or other public and private agencies;

(3) Activities that will involve participants with graduate and undergraduate science and mathematics majors who may serve as tutors and counselors for participants; and

(4) A summer instructional component that is designed to simulate a college-going experience that is at least six weeks in length and includes daily

coursework and other activities as described in this section as well as in § 645.11.

(b) Math Science Upward Bound Centers may also include—

(1) A summer bridge component consisting of math and science related coursework for those participants who have completed high school and intend on enrolling in an institution of higher education in the following fall term; and

(2) An academic year component designed by the applicant to enhance achievement of project objectives in the most cost-effective way taking into account the distances involved in reaching participants in the project's target area.

§ 645.14 What additional services do Veterans Upward Bound projects provide?

In addition to the services that must be provided under § 645.11(a) and may be provided under § 645.11(b), a Veterans Upward Bound project must—

(a) Provide intensive basic skills development in those academic subjects required for successful completion of a high school equivalency program and for admission to postsecondary education programs;

(b) Provide short-term remedial or refresher courses for veterans who are high school graduates but who have delayed pursuing postsecondary education. If the grantee is an institution of higher education, these courses shall not duplicate courses otherwise available to veterans at the institution; and

(c) Assist veterans in securing support services from other locally available resources such as the Veterans Administration, State veterans agencies, veterans associations, and other State and local agencies that serve veterans.

(Authority: 20 U.S.C. 1070a-11 and 1070a-13)

Subpart C—How Does One Apply for An Award?

§ 645.20 How many applications for an Upward Bound award may an eligible applicant submit?

(a) The Secretary accepts more than one application from an eligible entity so long as an additional application describes a project that serves a different participant population.

(b) Each application for funding under the Upward Bound Program shall state whether the application proposes a Regular Upward Bound project, an Upward Bound Math and Science Center, or a Veterans Upward Bound project.

(Authority: 20 U.S.C. 1070a-11 and 1070a-13)

§ 645.21 What assurances must an applicant include in an application?

An applicant must assure the Secretary that—

(a) Not less than two-thirds of the project's participants will be low-income individuals who are potential first generation college students; and

(b) That the remaining participants be either low-income individuals or potential first generation college students.

(Authority 20 U.S.C. 1070a-13)

Subpart D—How Does the Secretary Make a Grant?

§ 645.30 How does the Secretary decide which grants to make?

(a) The Secretary evaluates an application for a grant as follows:

(1)(i) The Secretary evaluates the application on the basis of the selection criteria in § 645.31.

(ii) The maximum score for all the criteria in § 645.31 is 100 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(2)(i) If an applicant for a new grant proposes to continue to serve substantially the same target population or schools that the applicant is serving under an expiring project, the Secretary evaluates the applicant's prior experience in delivering services under the expiring Upward Bound project on the basis of the criteria in § 645.32.
