

§ 690.64

34 CFR Ch. VI (7-1-07 Edition)

number of weeks of instructional time in the program's academic year;

(B) Multiplying the fraction determined under paragraph (d)(1)(ii)(A) of this section by the number of credit hours in the program's academic year to determine the number of hours required to be enrolled to be considered a full-time student; and

(C) Determining a student's enrollment status by comparing the number of hours in which the student enrolls in the term to the number of hours required to be considered full-time under paragraph (d)(1)(ii)(B) of this section for that term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time student; and

(3) Multiplying his or her annual award determined under paragraph (d)(2) of this section by the following fraction:

$$\frac{\text{The number of weeks of instructional time in the term}}{\text{The number of weeks of instructional time in the program's academic year}}$$

(e) *Programs using clock hours or credit hours without terms.* The Federal Pell Grant for a payment period for a student in a program using credit hours without terms or using clock hours is calculated by—

(1) Determining the student's Scheduled Federal Pell Grant using the Payment Schedule;

(2) Multiplying the amount determined under paragraph (e)(1) of this section by the lesser of—

(i)

$$\frac{\text{The number of weeks of instructional time required for a full-time student to complete the lesser of the clock or credit hours in the program or the academic year}}{\text{The number of weeks of instructional time in the program's academic year}}$$

; or

(ii) One; and

(3) Multiplying the amount determined under paragraph (e)(2) of this section by—

$$\frac{\text{The number of credit or clock hours in a payment period}}{\text{The number of credit or clock hours in the program's academic year}}$$

(f) A single disbursement may not exceed 50 percent of any award determined under paragraph (d) or (e) of this section. If a payment for a payment period calculated under paragraphs (d) or (e) of this section would require the disbursement of more than 50 percent of a student's annual award in that payment period, the institution shall make at least two disbursements to the student in that payment period. The institution may not disburse an amount that exceeds 50 percent of the student's annual award until the student has completed the period of time in the payment period that equals, in terms of weeks of instructional time, 50 percent of the weeks of instructional time in the program's academic year.

(g)(1) Notwithstanding paragraphs (b), (c), (d), and (e) of this section and 34 CFR 668.66, the amount of a student's award for an award year may not exceed his or her Scheduled Federal Pell Grant award for that award year except as provided in § 690.67.

(2) For purposes of this section and § 690.66, an institution must define an academic year for each of its eligible programs in terms of the number of credit or clock hours and weeks of instructional time in accordance with the requirements of 34 CFR 668.3.

§ 690.64 Calculation of a Federal Pell Grant for a payment period which occurs in two award years.

(a) If a student enrolls in a payment period which is scheduled to occur in two award years—

(1) The entire payment period must be considered to occur within one award year.

(2) The institution shall determine for each Federal Pell Grant recipient the award year in which the payment

period will be placed subject to the restrictions set forth in paragraph (a)(3) of this section.

(3) The institution shall place a payment period with more than six months scheduled to occur within one award year in that award year.

(4) If an institution places the payment period in the first award year, it shall pay a student with funds from the first award year.

(5) If an institution places the payment period in the second award year, it shall pay a student with funds from the second award year.

(b) An institution may not make a payment which will result in the student receiving more than his or her Scheduled Federal Pell Grant for an award year.

§ 690.65 Transfer student: attendance at more than one institution during an award year.

(a) If a student who receives a Federal Pell Grant at one institution subsequently enrolls at a second institution in the same award year, the student may receive a Federal Pell Grant at the second institution only if—

(1) The student submits a valid SAR to the second institution; or

(2) The second institution obtains a valid ISIR.

(b) The second institution shall calculate the student's award according to § 690.63.

(c) The second institution may pay a Federal Pell Grant only for that portion of the academic year in which a student is enrolled at that institution. The grant amount must be adjusted, if necessary, to ensure that the grant does not exceed the student's Scheduled Federal Pell Grant for that award year except as provided under § 690.67.

(d) If a student's Scheduled Federal Pell Grant at the second institution differs from the Scheduled Federal Pell Grant at the first institution, the grant amount at the second institution is calculated as follows—

(1) The amount received at the first institution is compared to the Scheduled Federal Pell Grant at the first in-

stitution to determine the percentage of the Scheduled Federal Pell Grant that the student has received.

(2) That percentage is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the Scheduled Federal Pell Grant at the second institution to which the student is entitled.

(e) The student's Federal Pell Grant for each payment period is calculated according to the procedures in § 690.63 unless the remaining percentage of the Scheduled Federal Pell Grant at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would normally receive for that payment period. In that case, the student's Federal Pell Grant is equal to that remaining percentage.

(f) A transfer student shall repay any amount received in an award year that exceeds—

(1) His or her Scheduled Federal Pell Grant; or

(2) The amount which he or she was eligible to receive for the award year under § 690.67.

§ 690.66 Correspondence study.

(a) An institution calculates the Federal Pell Grant for a payment period for a student in a program of study offered by correspondence courses without terms, but not including any residential component by—

(1) Determining the student's annual award using the half-time Disbursement Schedule;

(2) Determining the length of the correspondence program in weeks of instructional time by—

(i) Preparing a written schedule for submission of lessons that reflect a workload of at least 12 hours of preparation per week; and

(ii) Determining the number of weeks of instructional time in the program of study using the written schedule for submission of lessons;

(3) Multiplying the annual award determined from the Disbursement Schedule for a half-time student by the lesser of—
