

§ 13.35

36 CFR Ch. I (7-1-07 Edition)

(b) Paragraphs (d) through (g) of this section apply to all park areas in Alaska except Klondike Gold Rush National Historical Park, Sitka National Historical Park and the former Mt. McKinley National Park, Glacier Bay National Monument and Katmai National Monument.

(c) Except as provided in this section and §2.4 of this chapter, the following are prohibited—

- (1) Possessing a weapon, trap, or net;
- (2) Carrying a weapon, trap, or net;
- (3) Using a weapon, trap, or net.

(d) Firearms may be carried, possessed, and used within park areas in accordance with applicable State and Federal laws, except where such carrying, possession, or use is prohibited or otherwise restricted under §13.50.

(e) Traps, bows and other implements (other than firearms) authorized by applicable State and Federal law for the taking of fish and wildlife may be carried, possessed, and used within park areas only during those times when the taking of fish and wildlife is authorized by applicable law or regulation.

(f) In addition to the authorities provided in paragraphs (d) and (e) of this section, weapons (other than firearms), traps, and nets may be possessed within park areas provided such weapons, traps, or nets are within or upon a device or animal used for transportation and are unloaded and cased or otherwise packed in such a manner as to prevent their ready use while in a park area.

(g) Notwithstanding the provisions of this section, local rural residents who are authorized to engage in subsistence uses, including the taking of wildlife under §13.480, may use, possess, or carry traps, nets and other weapons in accordance with applicable State and Federal laws.

§13.35 Preservation of natural features.

(a) This section applies to all park areas in Alaska except Klondike Gold Rush National Historical Park, Sitka National Historical Park, the former Mt. McKinley National Park, and the former Katmai National Monument.

(b) Gathering or collecting natural products is prohibited except as allowed by this section, §2.1 of this chap-

ter, or part 13, subparts F through V. For purposes of this paragraph, “natural products” includes living or dead fish and wildlife or parts or products thereof, plants or parts or products thereof, live or dead wood, fungi, sea-shells, rocks, and minerals.

(c) Gathering or collecting, by hand and for personal use only, of the following renewable resources is permitted—

(1) Natural plant food items, including fruits, berries and mushrooms, but not including threatened or endangered species;

(2) Driftwood and uninhabited sea-shells;

(3) Such plant materials and minerals as are essential to the conduct of traditional ceremonies by Native Americans; and

(4) Dead wood on the ground for use as fuel for campfires within the park area.

(d) The Superintendent may authorize, with or without conditions, the collection of dead standing wood in all or a portion of a park area. Collecting dead or downed wood in violation of terms and conditions is prohibited.

(e) Surface collection, by hand (including hand-held gold pans) and for personal recreational use only, of rocks and minerals is permitted, with the following exceptions:

(1) Collection of silver, platinum, gemstones and fossils is prohibited; and

(2) Collection methods that may result in disturbance of the ground surface, such as the use of shovels, pick-axes, sluice boxes, and dredges, are prohibited.

(f) The Superintendent may limit the size and quantity of the natural products that may be gathered or possessed.

(1) Under conditions where it is found that significant adverse impact on park resources, wildlife populations, subsistence uses, or visitor enjoyment of resources will result, the Superintendent will prohibit the gathering or otherwise restrict the collecting of natural products.

(2) The Superintendent will notify the public of portions of a park area in which closures or restrictions apply by:

(i) Publishing a notice in at least one newspaper of general circulation in the

State and providing a map available for public inspection in the office of the Superintendent; or

(ii) Posting appropriate signs.

(g) *Subsistence*. Nothing in this section shall apply to local rural residents authorized to take renewable resources.

§ 13.40 Taking of fish and wildlife.

(a) [Reserved]

(b) *Fishing*. Fishing is permitted in all park areas in accordance with applicable State and Federal law, and such laws are hereby adopted and made a part of these regulations to the extent they are not inconsistent with § 2.3 of this chapter.

(c) *Commercial fishing*. The exercise of valid commercial fishing rights or privileges obtained prior to December 2, 1980, pursuant to existing law in Cape Krusenstern National Monument, the Malaspina Glacier Forelands area of the Wrangell-St. Elias National Preserve, and the Dry Bay area of Glacier Bay National Preserve, including the use of these park areas for existing campsites, cabins and other structures, motorized vehicles, and aircraft landings on existing airstrips, may continue provided that all such use is directly incident to the exercise of those rights or privileges.

(1) *Restrictions*. The Superintendent may restrict or revoke the exercise of a valid commercial fishing right or privilege based upon specific findings, following public notice and an opportunity for response, that continuation of such use of a park area constitutes a direct threat to or significant impairment of the values and purposes for which the park area was established.

(2) *Expansion of uses*. (i) A person holding a valid commercial fishing right or privilege may expand his or her level of use of a park area beyond the level of such use in 1979 only pursuant to the terms of a permit issued by the Superintendent.

(ii) The Superintendent may deny a permit or otherwise restrict the expanded use of a park area directly incident to the exercise of such rights or privileges, if the Superintendent determines, after conducting a public hearing in the affected locality, that the expanded use constitutes either:

(A) A significant expansion of the use of a park area beyond the level of such use during 1979 (taking into consideration the relative levels of use in the general vicinity, as well as the applicant's levels of use); or

(B) A direct threat to, or significant impairment of, the values and purposes for which the park area was established.

(d) *Hunting and trapping*. (1) Hunting and trapping are allowed in national preserves in accordance with applicable Federal and non-conflicting State law and regulations.

(2) Violating a provision of either Federal or non-conflicting State law or regulation is prohibited.

(3) Engaging in trapping activities as the employee of another person is prohibited.

(4) It shall be unlawful for a person having been airborne to use a firearm or any other weapon to take or assist in taking any species of bear, caribou, Sitka black-tailed deer, elk, coyote, arctic and red fox, mountain goat, moose, Dall sheep, lynx, bison, musk ox, wolf and wolverine until after 3 a.m. on the day following the day in which the flying occurred. This prohibition does not apply to flights on regularly scheduled commercial airlines between regularly maintained public airports.

(5) Persons transporting wildlife through park areas must identify themselves and the location where the wildlife was taken when requested by an NPS employee or other authorized person.

(e) *Closures and restrictions*. The Superintendent may prohibit or restrict the non-subsistence taking of fish or wildlife in accordance with the provisions of § 13.50 of this chapter. Except in emergency conditions, such restrictions shall take effect only after the Superintendent has consulted with the appropriate State agency having responsibility over fishing, hunting, or trapping and representatives of affected users.

§ 13.45 Unattended or abandoned property.

(a) This section applies to all park areas in Alaska except Klondike Gold Rush National Historical Park and
