

§ 222.8

(iv) The association's activities must be governed by a constitution and by-laws acceptable to the Forest Supervisor and approved by him.

(4) *Withdrawing recognition.* The Forest Supervisor may withdraw his recognition of the association whenever:

(i) The majority of the grazing permittees request that the association be dissolved.

(ii) The association becomes inactive, and does not meet in annual or special meetings during a consecutive 2-year period.

(b) *Cooperation with national, State, and county livestock organizations.* The policies and programs of national, State, and county livestock organizations give direction to, and reflect in, the practices of their members. Good working relationships with these groups is conducive to the betterment of range management on both public and private lands. The Chief, Forest Service, will endeavor to establish and maintain close working relationships with National livestock organizations who have an interest in the administration of National Forest System lands, and direct Forest officers to work cooperatively with State and county livestock organizations having similar interests.

(c) *Interagency cooperation.* The Chief, Forest Service, will cooperate with other Federal agencies which have interest in improving range management on public and private lands.

(d) *Cooperation with others.* The Chief, Forest Service, will cooperate with other agencies, institutions, organizations, and individuals who have interest in improvement of range management on public and private lands.

§ 222.8 Cooperation in control of estray or unbranded livestock, animal diseases, noxious farm weeds, and use of pesticides.

(a) Insofar as it involves National Forest System lands and other lands under Forest Service control or the livestock which graze thereupon, the Chief, Forest Service, will cooperate with:

(1) State, county, and Federal agencies in the application and enforcement of all laws and regulations relating to

36 CFR Ch. II (7-1-07 Edition)

livestock diseases, sanitation and noxious farm weeds.

(2) The Animal and Plant Health Inspection Service and other Federal or State agencies and institutions in surveillance of pesticides spray programs; and

(3) State cattle and sheep sanitary or brand boards in control of estray and unbranded livestock to the extent it does not conflict with the Wild Free-Roaming Horse and Burro Act of December 15, 1971.

(b) The Chief, Forest Service, will cooperate with county or other local weed control districts in analyzing noxious farm weed problems and developing control programs in areas of which the National Forests and National Grasslands are a part.

§ 222.9 Range improvements.

(a) The Chief, Forest Service, is authorized to install and maintain structural and nonstructural range improvements needed to manage the range resource on National Forest System lands and other lands controlled by the Forest Service.

(b) Such improvements may be constructed or installed and maintained, or work performed by individuals, organizations or agencies other than the Forest Service subject to the following:

(1) All improvements must be authorized by cooperative agreement or memorandum of understanding, the provisions of which become a part of the grazing permit(s).

(2) Title to permanent structural range improvements shall rest in the United States.

(3) Title to temporary structural range improvements may be retained by the Cooperator where no part of the cost for the improvement is borne by the United States.

(4) Title to nonstructural range improvements shall vest in the United States.

(5) Range improvement work performed by a cooperator or permittee on National Forest System lands shall not confer the exclusive right to use the improvement or the land influenced.

(c) A user of the range resource on National Forest System lands and

§ 222.11

other lands under Forest Service control may be required by the Chief, Forest Service, to maintain improvements to specified standards.

(d) Grazing fees or the number of animal months charged shall not be adjusted to compensate permittees for range improvement work performed on National Forest System lands: Provided, That, in accordance with section 32(c), title III, Bankhead-Jones Farm Tenant Act, the cost to grazing users in complying with requirements of a grazing permit or agreement may be considered in determining the annual grazing fee on National Grasslands or land utilization projects if it has not been used in establishing the grazing base value.

§ 222.10 Range betterment fund.

In addition to range development which is accomplished through funds from the rangeland management budget line item and the Granger-Thye Act, and deposited and nondeposited cooperative funds, range development may also be accomplished through use of the range betterment fund as follows:

(a) On National Forest land within the 16 contiguous western States, the Chief, Forest Service, shall implement range improvement programs where necessary to arrest range deterioration and improve forage conditions with resulting benefits to wildlife, watershed protection, and livestock production. One-half of the available funds will be expended on the National Forest where derived. The remaining one-half of the fund will be allocated for range rehabilitation, protection and improvements on National Forest lands within the Forest Service Regions where they were derived. During the planning process there will be consultation with grazing permittees who will be affected by the range rehabilitation, protection and improvements, and other interested persons or organizations.

(b) Range betterment funds shall be utilized only for on-the-ground expenditure for range land betterment, including, but not limited to, seeding and reseeding, fence construction, water development, weed and other plant

control, and fish and wildlife habitat enhancement within allotments.

§ 222.11 Grazing advisory boards.

(a) *Establishment.* Persons holding term permits to graze livestock on National Forest System lands with headquarters, office in the 16 contiguous western States having jurisdiction over more than 500,000 acres of land subject to commercial livestock grazing may petition the Forest Supervisor for establishment of a statutory grazing advisory board in accordance with provisions of the Federal Land Policy and Management Act of 1976.

(1) Upon being properly petitioned by a simple majority (more than 50 percent) of term grazing permittees under the jurisdiction of such headquarters office, the Secretary shall establish and maintain at least one grazing advisory board.

(2) The Chief, Forest Service, shall determine the number of such boards, the area to be covered, and the number of advisers on each board.

(3) *Processing Petitions.* Upon receiving a proper petition from the grazing permittees, the Forest Supervisor will request the Chief, Forest Service, through the Regional Forester, to initiate action to establish grazing advisory boards in accordance with regulations of the Secretary of Agriculture. Grazing advisory boards will comply with the provisions of the Federal Advisory Committee Act.

(b) *Membership.* Grazing advisory boards established under this authority shall consist of members who are National Forest System term permittees under the jurisdiction of a National Forest headquarters office in the 16 contiguous western States, provided board members shall be elected by term grazing permittees in the area covered by the board.

(c) *Elections.* The Forest Supervisor of the headquarters office shall prescribe
