

§ 230.34

summarizing all activities and practices funded through FLEP for the previous fiscal year.

(h) By September 1, 2006, the Responsible Official must submit a cumulative report to the Chief summarizing all activities and practices funded through FLEP as of June 1, 2006, along with copies of the reports submitted from the participating States.

§ 230.34 State program administration.

(a) In States electing to participate in FLEP, the State Forester and the State Forest Stewardship Coordinating Committee, established pursuant to section 19(b) of the Cooperative Forestry Assistance Act, as amended (16 U.S.C. 2101, *et seq.*), shall jointly develop a State priority plan. The plan must be submitted to the appropriate Responsible Official for review and concurrence.

(b) The State Forester shall develop, implement and administer FLEP consistent with the State priority plan. The State Forester must ensure that all activities are carried out properly and that all cost-shared practices meet the appropriate standards and specifications.

(c) No match of funds is required from the State for participation in FLEP.

(d) In order to facilitate development of FLEP any State may request up to \$50,000 of the first-year allocation in advance of Forest Service concurrence with a State priority plan.

(e) Each State participating in FLEP shall submit an annual report to the respective Responsible Official, reporting all activities and practices funded through FLEP for the previous fiscal year. The report shall contain data on accomplishments by educational assistance, technical assistance, and cost-share assistance based on State objectives and measurable outcomes included in State priority plans.

(f) By July 15, 2006, the State Forester of each State participating in FLEP must submit to the respective Responsible Official a summary report of all State activities and practices funded through FLEP as of June 1, 2006.

36 CFR Ch. II (7–1–07 Edition)

§ 230.35 FLEP elements.

(a) States may use FLEP funds to assist landowners in managing their non-industrial private forest lands and related resources through the following elements:

(1) Development and implementation of educational programs;

(2) Resource management expertise and technical assistance; and

(3) Financial assistance through cost-share programs.

(b) All participating States may use a portion of allocated funds for FLEP administration costs.

(c) States do not have to participate in all FLEP elements.

§ 230.36 State priority plan—purpose and scope.

(a) The State priority plan shall be used to guide FLEP implementation in each participating State through fiscal year 2007 and can be revised as needed.

(b) The State priority plan must describe the various roles and responsibilities of the State Forester, State Forest Stewardship Coordinating Committee, and other agencies and organizations in FLEP planning, delivery, and accountability to the program objectives.

(c) The State priority plan must contain the following:

(1) Data from standard forest inventory and analysis reports on the forest resources found within the State;

(2) A description of concerns, issues, problems and threats related to resource management for all nonindustrial private forest and agroforestry resources;

(3) Identification of the desired objectives and environmental, economic, and social values and public benefits to be derived from FLEP;

(4) An explanation of how FLEP funds are to be used to complement efforts of sustainable forestry management already in place within the State;

(5) A rationale for, and a proposed distribution of, funds for the FLEP elements listed at section 230.35 that the State plans to implement; and

(6) A description of the public participation process used in the development of the plan, including outreach efforts to landowners with limited resources.
