§ 25.3 Supervision; suspensions.

(a) The guide service will operate under the direction of the superintendent or his designated representative. Records will be kept of the efficiency of the guides and of all matters pertaining to the service.

(b) Superintendents are authorized to suspend any guide for violation of the regulations or for conduct prejudicial to the interests of the Government. A full report of the facts attending each

§ 25.4 Schedule of rates.

As the conditions of each park differ with respect to the proper charge for the service rendered to the public, the schedule of rates for observance by the licensed guides at each separate park will be submitted to the Director of the National Park Service for approval. The superintendent will prepare itineraries arranged so as best to observe the different features of the battlefield and submit them with recommendations as to schedule of rates to the Director of the National Park Service for approval.

§ 25.5 Badges and uniforms.

Licensed guides will be furnished with official badges as evidence of their authority, which shall remain the property of the Government and be returned to the superintendent upon relinquishment or revocation of the license as a guide.
