SOURCE: 51 FR 34184, Sept. 25, 1986, unless otherwise noted.

§ 59.1 Applicability.

These post-completion responsibilities apply to each area or facility for which Land and Water Conservation Fund (L&WCF) assistance is obtained, regardless of the extent of participation of the program in the assisted area or facility and consistent with the contractual agreement between NPS and the State. The information is being collected to determine whether to approve a project sponsor's request to convert an assisted site or facility to other than public outdoor recreation uses. The information will be used to assure that the requirements of section 6(f)(3) of the L&WCF Act would be met should the proposed conversion be implemented.
