

§ 60.10

(i) Any person or organization which supports or opposes the nomination of a property by a Federal Preservation Officer may petition the Keeper during the nomination process either to accept or reject a nomination. The petitioner must state the grounds of the petition and request in writing that the Keeper substantively review the nomination. Such petition received by the Keeper prior to the listing of a property in the National Register or a determination of its eligibility where the private owner(s) object to listing will be considered by the Keeper and the nomination will be substantively reviewed.

§ 60.10 Concurrent State and Federal nominations.

(a) State Historic Preservation Officers and Federal Preservation Officers are encouraged to cooperate in locating, inventorying, evaluating, and nominating all properties possessing historical, architectural, archeological, or cultural value. Federal agencies may nominate properties where a portion of the property is not under Federal ownership or control.

(b) When a portion of the area included in a Federal nomination is not located on land under the ownership or control of the Federal agency, but is an integral part of the cultural resource, the completed nomination form shall be sent to the State Historic Preservation Officer for notification to property owners, to give owners of private property an opportunity to concur in or object to the nomination, to solicit written comments and for submission to the State Review Board pursuant to the procedures in § 60.6.

(c) If the State Historic Preservation Officer and the State Review Board agree that the nomination meets the National Register criteria for evaluation, the nomination is signed by the State Historic Preservation Officer and returned to the Federal agency initiating the nomination. If the State Historic Preservation Officer and the State Review Board disagree, the nomination shall be returned to the Federal agency with the opinions of the State Historic Preservation Officer and the State Review Board concerning the adequacy of the nomination and wheth-

er or not the property meets the criteria for evaluation. The opinion of the State Review Board may be the minutes of the State Review Board meeting. The State Historic Preservation Officer's signed opinion and comments shall confirm to the Federal agency that the State nomination procedures have been fulfilled including notification requirements. Any comments received by the State shall be included with the letter as shall any notarized statements objecting to the listing of private property.

(d) If the owner of any privately owned property, (or a majority of the owners of such properties within a district or single property with multiple owners) objects to such inclusion by notarized statement(s) the Federal Historic Preservation Officer shall submit the nomination to the Keeper for review and a determination of eligibility. Comments, opinions, and notarized statements of objection shall be submitted with the nomination.

(e) The State Historic Preservation Officer shall notify the non-Federal owners when a concurrent nomination is listed or determined eligible for the National Register as required in § 60.6.

§ 60.11 Requests for nominations.

(a) The State Historic Preservation Officer or Federal Preservation Officer as appropriate shall respond in writing within 60 days to any person or organization submitting a completed National Register nomination form or requesting consideration for any previously prepared nomination form on record with the State or Federal agency. The response shall provide a technical opinion concerning whether or not the property is adequately documented and appears to meet the National Register criteria for evaluation in § 60.4. If the nomination form is determined to be inadequately documented, the nominating authority shall provide the applicant with an explanation of the reasons for that determination.

(b) If the nomination form does not appear to be adequately documented, upon receiving notification, it shall be the responsibility of the applicant to provide necessary additional documentation.

§ 60.12

(c) If the nomination form appears to be adequately documented and if the property appears to meet the National Register criteria for evaluation, the State Historic Preservation Officer shall comply with the notification requirements in §60.6 and schedule the property for presentation at the earliest possible State Review Board meeting. Scheduling shall be consistent with the State's established priorities for processing nominations. If the nomination form is adequately documented, but the property does not appear to meet National Register criteria for evaluation, the State Historic Preservation Officer need not process the nomination, unless so requested by the Keeper pursuant to §60.12.

(d) The State Historic Preservation Officer's response shall advise the applicant of the property's position in accord with the State's priorities for processing nominations and of the approximate date the applicant can expect its consideration by the State Review Board. The State Historic Preservation Officer shall also provide notice to the applicant of the time and place of the Review Board meeting at least 30 but not more than 75 days before the meeting, as well as complying with the notification requirements in §60.6.

(e) Upon action on a nomination by the State Review Board, the State Historic Preservation Officer shall, within 90 days, submit the nomination to the National Park Service, or, if the State Historic Preservation Officer does not consider the property eligible for the National Register, so advise the applicant within 45 days.

(f) If the applicant substantially revises a nomination form as a result of comments by the State or Federal agency, it may be treated by the State Historic Preservation Officer or Federal Preservation Officer as a new submittal and reprocessed in accord with the requirements in this section.

(g) The Federal Preservation Officer shall request the comments of the State Historic Preservation Officer and notify the applicant in writing within 90 days of receipt of an adequately documented nomination form as to whether the Federal agency will nominate the property. The Federal Preservation Officer shall submit an adequately doc-

umented nomination to the National Park Service unless in his or her opinion the property is not eligible for the National Register.

§ 60.12 Nomination appeals.

(a) Any person or local government may appeal to the Keeper the failure or refusal of a nominating authority to nominate a property that the person or local government considers to meet the National Register criteria for evaluation upon decision of a nominating authority to not nominate a property for any reason when requested pursuant to §60.11, or upon failure of a State Historic Preservation Officer to nominate a property recommended by the State Review Board. (This action differs from the procedure for appeals during the review of a nomination by the National Park Service where an individual or organization may "petition the Keeper during the nomination process," as specified in §§60.6(t) and 60.9(i). Upon receipt of such petition the normal 45-day review period will be extended for 30 days beyond the date of the petition to allow the petitioner to provide additional documentation for review.)

(b) Such appeal shall include a copy of the nomination form and documentation previously submitted to the State Historic Preservation Officer or Federal Preservation Officer, an explanation of why the applicant is submitting the appeal in accord with this section and shall include pertinent correspondence from the State Historic Preservation Officer or Federal Preservation Officer.

(c) The Keeper will respond to the appellant and the State Historic Preservation Officer or Federal Preservation Officer with a written explanation either denying or sustaining the appeal within 45 days of receipt. If the appeal is sustained, the Keeper will:

(1) Request the State Historic Preservation Officer or Federal Preservation Officer to submit the nomination to the Keeper within 15 days if the nomination has completed the procedural requirements for nomination as described in §§60.6 or 60.9 except that concurrence of the State Review Board, State Historic Preservation Officer or
