

National Register will take the following steps:

(a) For a property owned by a Federal agency, or under the jurisdiction or control of the agency to the extent that the agency substantially exercises the attributes of ownership, the Keeper of the National Register will request the Federal agency to nominate the property to the National Register within six months.

(b) If the property is not under Federal jurisdiction or control, the Keeper of the National Register will request that the State Historic Preservation Office nominate the property to the National Register within six months.

(c) If the Keeper of the National Register determines that a property has lost the characteristics that made it eligible for the National Register, he will inform the State Historic Preservation Officer and the Federal agency and remove the property from the list of eligible properties.

§ 64.1 Purpose.

The purpose of these guidelines is to prescribe policies and procedures for administering the funding of projects involving the conversion of abandoned railroad rights-of-way to recreation and conservation uses. Because of the limited funding available, it is the Bureau of Outdoor Recreation's intent to select a few projects which effectively demonstrate the conversion of abandoned railroad rights-of-way for recreation and conservation purposes in a timely manner.

§ 64.2 Definitions.

(a) *Abandoned Railroad Rights-of-Way.* An abandoned railroad right-of-way is the real property used for or formerly used for the operation of railroad trains by a common carrier railroad, upon which the railroad company has, or will cease operations and sell, or otherwise dispose of the company's interest in the real property.

(b) *Project Applicant.* Federal, State, or local governmental agencies.

§ 64.3 Applicability and authority.

The policies and procedures contained herein are applicable to the making of grants to State and local governments and to the making of allocations to Federal agencies under the provisions of title VIII, section 809(b)(2) and (3) of the Railroad Revitalization and Regulatory Reform Act of 1976 (Pub. L. 94-210) (90 Stat. 145). The Secretary of the Interior in consultation with the Secretary of Transportation is responsible for providing financial assistance in accordance with section 809(b)(2) and (3). The Secretary of the Interior's responsibility has been delegated to the Bureau of Outdoor Recreation.

§ 64.4 Scope.

(a) Funding assistance authorized by section 809(b)(2) shall be provided to State and local government entities to enable them to acquire and develop abandoned railroad rights-of-way for recreation and conservation purposes and to plan for such acquisition and development. As provided for by law,

National Park Service, Interior

§ 64.6

grants shall be made for not more than 90 percent of the cost of the particular project for which funds are sought.

(b) Allocations authorized by section 809(b)(3) shall be made to Federal agencies to enable them to acquire abandoned railroad rights-of-way. Such allocations shall be made for an amount up to the price paid to the owner of the real property proposed for acquisition plus expenses incidental to acquisition such as title work, surveys, appraisals and relocation.

§ 64.5 Eligible projects.

(a) Abandoned railroad projects will be for recreation and/or conservation purposes including the acquisition of the rights-of-way involved and will be sponsored by a project applicant who has authority to carry out public recreation or conservation programs. Eligible project elements for State and local governmental entities may include:

(1) The acquisition of fee or less than fee interests including long term leases of not less than 25 years and easements which will secure for the project applicant the right to develop use the property for public recreation and/or conservation purposes.

(2) The development of facilities which are necessary for making rights-of-way usable for public recreation and conservation purposes.

(b) Allocations made to Federal agencies will be made for the acquisition of lands or interests in lands, including incidental acquisition expenses, located in existing areas where such acquisition is authorized by law and the land is usable for public recreation and conservation purposes.

(c) Abandoned railroad rights-of-way projects proposed by State and local governmental entities and Federal agencies shall be in accordance with the State comprehensive outdoor recreation plan for the State in which the project is located.

§ 64.6 Application procedures.

State and local units of government applying for grants under this program will comply with the regulations, policies, guidelines, and requirements of OMB Circular No. A-95 (Evaluation, Review and Coordination of Federal and Federally Assisted Programs and

Projects), Federal Management Circulars 74-4 (Cost Principles Applicable to Grants and Contracts with State and Local Governments) and OMB Circular No. A-102 (Uniform Administrative Requirements for Grants-in-Aid to State and local governments).

(a) *Preapplications.* A preapplication will be used to initially screen and select those projects for which a final application may be submitted for assistance. The preapplication will include:

(1) A Standard Form 424 (may be obtained from applicable Regional Offices of the Bureau of Outdoor Recreation).

(2) A map showing the location of the property to be acquired and/or developed and its relation to surrounding land uses including other recreation/conservation resources.

(3) A program narrative statement.

(i) Where acquisition is involved the number of acres and real property interest to be acquired. Attach a copy of the abandonment notice.

(ii) The type of recreational/conservation use planned for the project site including the type of development to be included in the project (if a site plan is available it should be submitted).

(iii) A statement indicating separately the estimated acquisition and development costs.

(iv) A time schedule for completing the acquisition and development.

(v) A brief discussion of how the project embodies the selection criteria outlined in §64.8.

(4) Indicate any known problems that will occur in obtaining clear title to the right-of-way.

(5) Because of the limited funds available applicants are encouraged to provide an alternative plan indicating a viable segment of the overall project which could possibly be funded at a lower amount in lieu of the complete project.

(b) *Applications.* For those State and local projects selected the applicant shall submit the standard application provided for in Attachment M of OMB Circular A-102. An application package developed for this program will be available from the Bureau of Outdoor Recreation Regional Offices. The following application requirements will apply (information submitted with the
