§ 12.3 Deceased veteran's cases.

(a) Immediately upon the death or the absence without leave of any beneficiary at a field facility, as defined in §12.0(b), a survey and inventory of the funds and effects of such beneficiary will be taken in the following manner:

(3) The inventory report will be executed in triplicate, original and two copies. All will be signed by the employee making the inventory, and disposed of as provided for in pertinent procedural instructions.

(4) Personally owned clothing or other effects (such as tooth brushes, false teeth not containing gold, etc.), which are unserviceable by reason of wear or tear or insanitary condition, and clothing that had been supplied by the Government, will not be included in this inventory; instead, the unserviceable personally owned articles will be listed on a separate list, with their condition briefly described, and their disposition recommended in a separate report to the facility head.
