

§ 12.4

38 CFR Ch. I (7-1-07 Edition)

on the papers the date and nature of the disposition. The completed papers will then be placed in the correspondence file of the beneficiary. Clothing that had been supplied by the Government will be reconditioned if possible and returned to stock for issue to other eligible beneficiaries. When Government-owned clothing cannot be reconditioned it will be disposed of.

(5) When the nearest relative requests that the deceased beneficiary be clad for burial in clothing he or she personally owned, instead of burial clothing to be supplied under the contract for mortuary services, such request will be honored. A receipt in such cases will be obtained from the undertaker, specifying the articles of clothing so used. Adjustment of the undertaker's bill in the case will correspondingly be made.

(6) In accomplishing such inventories, detailed description will be given of items of material value or importance, for example:

Watch—Yellow metal (make, movement, and case number, if available without damage to watch).

Ring—Yellow metal (probably gold-plated or stamped 14-K., setting if any).

Discharge certificate.

Adjusted service certificate (number).

Bonds or stocks (name of company, registered or nonregistered, identifying number, recited par value, if any).

Bank books or other asset evidence (name of bank or other obligor, apparent value, identifying numbers, etc.).

Clothing (brief description and statement of condition). Etc.

(b) Upon completion of the survey and inventory, the effects will be turned over to the designated employee for safekeeping. Any funds found in excess of \$100 which apparently were the property of the deceased will be turned over to the details clerk and delivered immediately to the agent cashier, who shall deposit same in the account "Personal Funds of Patients". Unendorsed checks other than Treasury checks and funds not in excess of \$100 will be considered personal effects and not funds and will be handled accordingly.

§ 12.4 Disposition of effects and funds to designee; exceptions.

(a) Upon authorization by the facility head or his or her designated representative, all funds, as defined in § 12.0 (except funds on deposit in Personal Funds of Patients derived from gratuitous benefits under laws administered by the Department of Veterans Affairs and deposited by the Department of Veterans Affairs where the veteran was incompetent at time of death), and effects will be delivered or sent to the designee of the deceased veteran if request therefor be made after death and within 90 days following the mailing of notice to such designee (see § 12.9(a)), unless:

(1) The executor or administrator of the estate of the deceased veteran shall have notified the facility head or his or her designated representative of his or her desire and readiness to receive such funds or effects, in which event the facility head or his or her designated representative will authorize delivery of all funds and effects to such executor or administrator upon receipt of appropriate documentary evidence of his or her qualifications and in exchange for appropriate receipts, or

(2) An heir capable of inheriting the personal property of the veteran makes claim for the funds and effects prior to delivery to the designee.

(3) Subsequent to the naming of a designee the veteran became incompetent and his or her guardian revoked such designation, in which event the facility head or his or her designated representative will deliver all funds and effects to his guardian in exchange for appropriate receipts subject to the limitation contained in paragraph (d) of this section, or

(4) Designee was the wife (or husband) of the veteran at the time of designation, and information at the disposal of the field facility indicates that she (or he) was thereafter divorced and the veteran was incompetent at or subsequent to the time of divorce, or

(5) Notwithstanding there is a designee, it is probable that title would pass to the United States under the provisions of §§ 12.19 to 12.23 issued pursuant to 38 U.S.C. 5502(e) and 38 U.S.C. 8520(a), or

(6) The facility head or his or her designated representative determines that there is reasonable ground to believe that the transfer of such possession to the designee probably would be contrary to the interests of the person legally entitled to the personal property, or there are any other special circumstances raising a serious doubt as to the propriety of such delivery to the designee.

In any case in which the facility head does not deliver the funds and effects, because of the provisions of paragraphs (a)(3), (4), and (5) of this section, he or she will develop all facts and refer the matter to the Chief Attorney of the regional office having jurisdiction over the area where the hospital is located, for advice as to the disposition which legally should be made of such funds and effects.

(b) When authorized by the facility head or his or her designated representative, the effects will be delivered or shipped to the designee. If shipped at Government expense, the shipment shall be made in the most economical manner but in no case at a cost in excess of \$25. If such expenses will exceed \$25, the excess amount shall be paid by the consignee to the facility head in advance. There will be no obligation on the Government, initially or otherwise, to pay such expenses in excess of \$25.

(c) When possession of funds or effects is transferred to a designee, the attention of the designee will again be directed to the fact that possession only has been transferred to him or her and that such transfer does not of itself affect title thereto and that such designee will be accountable to the owner of said funds and effects under applicable laws.

(d) Upon receipt from the proper Chief Attorney of an appropriate certification that the guardianship was in full force and effect at the time of the veteran's death and that the guardian's bond is adequate, funds (other than funds deposited by the Department of Veterans Affairs in Personal Funds of Patients derived from gratuitous benefits under laws administered by the Department of Veterans Affairs) and effects of an incompetent veteran may be immediately delivered or sent to such guardian, inasmuch as the guardian

had a right to possession, and he or she will be accountable therefor to the party entitled to receive the decedent's estate. If, however, it appears probable that decedent died without a valid will and left no person surviving entitled to inherit, the funds will not be paid to the former guardian but will be disposed of as provided in § 12.19(a). The effects will be sold, used, or destroyed, at the discretion of the facility head or his designated representative.

[25 FR 1613, Feb. 25, 1960, as amended at 29 FR 17904, Dec. 17, 1964]

§ 12.5 Nondesignee cases.

(a) If there exists no designee at the time of death at a hospital, domiciliary, or regional office of a veteran admitted as competent, or the designee fails or refuses to claim the funds and effects as defined in § 12.0(a) within 90 days following the mailing of notice to such designee, the facility head will take appropriate action to dispose of the effects to the person or persons legally entitled thereto, i.e., the executor or administrator of the decedent, or, if no notice of such an appointment has been received, to the decedent's widow, child, grandchild, mother, father, grandmother, grandfather, brother, or sister, in the order named. Subject to the applicable provisions of §§ 12.3 and 12.4, such delivery may be made at any time before the sale contemplated by § 12.9 to the designee or other person entitled under the facts of the case. Delivery will be made to the person entitled to priority as prescribed in this paragraph, unless such person waives right to possession, in which event delivery will be to the person, if any, in whose favor such prior entitled person waives right to possession. If the waiver is not in favor of a particular person or class, delivery will be to the person or persons next in order of priority under this paragraph. If in any case there be more than one person in the class entitled to priority, initially or by reason of waiver, delivery will be made only to their joint designated agent (who may, but need not, be one of the class), or to one of such class in his or her own behalf upon written waiver of all others of the class entitled thereto. The guardian of
