§ 14.630 Authorization for a particular claim.

(a) Any person may be authorized to prepare, present, and prosecute one claim. A proper power of attorney, and a statement signed by the person and the claimant that no compensation will be charged or paid for the services, shall be filed with the office where the claim is presented. A signed writing, which may be in letter form, identifying the claimant and the type of benefit or relief sought, specifically authorizing a named individual to act as the claimant's representative, and further authorizing direct access to records pertinent to the claim, will be accepted as a power of attorney.

(b) Representation may be provided by an individual pursuant to this section one time only. An exception to this limitation may be granted by the General Counsel in unusual circumstances. Among the factors which may be considered in determining whether an exception will be granted are:

(1) The number of accredited representatives and claims agents operating in the claimant's geographic region;

(2) Whether the claimant has unsuccessfully sought representation from other sources;

(3) The nature and status of the claim; and

(4) Whether there exists unique circumstances which would render alternative representation inadequate.

Representative) or Department of Veterans Affairs Form 22a (Appointment of Attorney or Agent as Claimant's Representative), is required to represent a claimant, except when representation is by an attorney who complies with paragraph (b) of this section or when representation by an individual is authorized under § 14.630. The power of attorney shall meet the following requirements:

(1) Contain signature by:

(i) The claimant, or

(ii) The claimant's guardian, or

(iii) In the case of an incompetent, minor, or otherwise incapacitated person without a guardian, the following in the order named—spouse, parent, other relative or friend (if interests are not adverse), or the director of the hospital in which the claimant is maintained; and

(2) Shall be presented to the appropriate Department of Veterans Affairs office for filing in the veteran's claims folder.

(b) An attorney engaged by a client may state in a signed writing on his or her letterhead that the attorney is authorized to represent the claimant. This evidence of authorization shall be equivalent to an executed power of attorney and shall be presented to the Department of Veterans Affairs regional office that has jurisdiction over the claim for filing the claimant's claims folder.

(c) The Secretary may, for any purpose, treat a power of attorney naming as a claimant's representative an organization recognized under § 14.628, a particular office of such an organization, or an individual representative of such an organization as an appointment of the entire organization as the claimant's representative, unless the claimant specifically indicates in the power of attorney a desire to appoint only the individual representative. Such specific indication must be made in the space on the power-of-attorney form for designation of the representative and must use the word "only" with reference to the individual representative.

(d) An organization, representative, agent, or attorney named in a power of attorney executed pursuant to paragraph (a) of this section may decline to

(e) Questions concerning the validity or effect of powers of attorney shall be referred to the Regional Counsel of jurisdiction for initial determination. This determination may be appealed to the General Counsel.

(f)(1) Only one organization, representative, agent, or attorney will be recognized at one time in the prosecution of a particular claim. Except as provided in §14.629(c) and paragraph (f)(2) of this section, all transactions concerning the claim will be conducted exclusively with the recognized organization, representative, agent, or attorney of record until notice of a change, if any, is received by the appropriate office of the Department of Veterans Affairs.

(2) An organization named in a power of attorney executed in accordance with paragraph (a) of this section may employ an attorney to represent a claimant in a particular claim. Unless the attorney is an accredited representative of the organization, the written consent of the claimant shall be required.

(g)(1) A power of attorney may be revoked at any time, and an attorney may be discharged at any time. Unless a claimant specifically indicates otherwise, the receipt of a new power of attorney shall constitute a revocation of an existing power of attorney.

(2) If an attorney submits a letter concerning representation under paragraph (b) of this section regarding a particular claim, or a claimant authorizes a person to provide representation in a particular claim under §14.630, such specific authority shall constitute a revocation of an existing general power of attorney filed under paragraph (a) of this section only as it pertains to, and during the pendency of, that particular claim. Following the final determination of such claim, the

general power of attorney shall remain in effect as to any new or reopened claim.
