### Subpart I—Rules for Expedited Review To Allow Market Tests of Proposed Mail Classification Changes

SOURCE: 66 FR 54441, Oct. 29, 2001, unless otherwise noted.

#### § 3001.161 Applicability.

This section and §§ 3001.162 through 3001.166 apply in cases in which the Postal Service requests a recommended decision pursuant to section 3623 preceded by testing in the market in order to develop information necessary to support a permanent change. The requirements and procedures specified in these sections apply exclusively to the Commission's determination to recommend in favor of or against a market test proposed by the Postal Service, and do not supersede any other rules applicable to the Postal Service's request for recommendation of a permanent change in mail classification. In administering this subpart, it shall be the policy of the Commission to recommend market tests that are reasonably calculated to produce information needed to support a permanent change in mail classification, and that are reasonably limited in scope, scale, duration, and potential adverse impact. Except in extraordinary circumstances and for good cause shown, the Commission shall not recommend market tests of more than one year in duration; however, this limitation is not intended to bar the Postal Service from conducting more than one market test in support of a potential permanent change in mail classification in appropriate circumstances.

[66 FR 54441, Oct. 29, 2001, as amended at 71 FR 66678, Nov. 16, 2006]

#### § 3001.162 Filing of market test proposal and supporting direct evidence.

Whenever the Postal Service determines to request that the Commission submit a recommended decision on a change in mail classification preceded by testing in the market, the Postal Service shall file with the Commission, in addition to its request for a permanent change in mail classification pursuant to section 3623, a request for a recommended decision in favor of its proposed market test of the requested change in mail classification. Each formal request filed under this subpart shall include such information and data and such statements of reasons and bases as are necessary and appropriate fully to inform the Commission and the parties of the nature, scope, significance and impact of the proposed market test, and to show that it is in the public interest and in accordance with the policies of the Act and the applicable criteria of the Act. Each formal request shall also include the following particular information:

(a) A description of the services to be provided in the market test, and the relationship between the services to be provided and the permanent change or changes in the mail classification schedule requested by the Postal Service;

(b) A statement of each rate or fee to be charged for each service to be provided during the market test, together with all information relied upon to establish consistency of those rates and fees with the factors specified in section 3622(b);

(c) A description of the number and extent of the service areas in which the market test will be conducted, including the number and type of postal facilities which will be used;

(d) A statement of the planned duration of the market test;

(e) Proposed Domestic Mail Classification Schedule provisions which incorporate the information required in paragraphs (a) through (d) of this section;

(f) A statement of the goals and objectives of the proposed market test, supported by quantitative projections of anticipated results to the extent practicable.
