

§ 3001.173

provisional service, supported by quantitative projections of anticipated results to the extent practicable.

(3) A statement of those features of the proposed provisional service that, in the opinion of the Postal Service, cannot be modified without significantly reducing the benefits of introducing the proposed service;

(4) An explanation and complete documentation of the development of the rates proposed for the provisional service;

(5) A termination date on which the proposed provisional service will be discontinued;

(6) An estimate of the effect of implementing the proposed provisional service on overall Postal Service costs and revenues during the period in which it is in effect; and

(7) A plan for meeting the data collection and reporting requirements specified in § 3001.175.

(b) If the Postal Service believes that data required to be filed under § 3001.64 are unavailable, it shall explain their unavailability, as required by § 3001.64(a)(2)(i), (ii), and (iv). In particular, if the provisional character of the request bears on the unavailability of the data in question, the Postal Service shall explain in detail the nexus between these circumstances. A satisfactory explanation of the unavailability of data will be grounds for excluding from the proceeding a contention that the absence of the data should form a basis for rejection of the request, unless the party desiring to make such contention

(1) Demonstrates that, having regard to all the facts and circumstances of the case, it was clearly unreasonable for the Postal Service to propose the change in question without having first secured the data which are unavailable, or

(2) Demonstrates other compelling circumstances requiring that the absence of the data in question be treated as bearing on the merits of the proposal.

§ 3001.173 Procedures—expedition of public notice and procedural schedule.

(a) The purpose of this section is to provide a schedule for expediting pro-

ceedings in which the Postal Service requests that the Commission recommend the establishment of a provisional service which will supplement, but will not alter, existing mail classifications and rates for a limited and fixed duration.

(b) Persons who are interested in participating in a proceeding to consider Postal Service requests to establish a provisional service may intervene pursuant to Subpart A of the rules of practice. Parties may withdraw from a proceeding by filing a notice with the Secretary of the Commission.

(c) When the Postal Service files a request under the provisions of this subpart, it shall comply with the standard Filing Online procedures of §§ 3001.9 through 3001.12.

(d) When the Postal Service files a request under the provisions of this subpart, it shall on that same day file a notice that briefly describes its proposal. Such notice shall indicate on its first page that it is a notice of a Request for Establishment of a Provisional Service to be considered under §§ 3001.171 through 3001.176.

(e) Within 5 days after receipt of a Postal Service request under the provisions of this subpart, the Commission shall issue a notice of proceeding and provide interested persons a minimum of 15 days after filing of the Postal Service request within which to intervene. In the event that a party wishes to dispute a genuine issue of material fact to be resolved in the consideration of the Postal Service's request, that party shall file with the Commission a request for a hearing within the time allowed in the notice of proceeding. The request for a hearing shall state with specificity the fact or facts set forth in the Postal Service's filing that the party disputes, and when possible, what the party believes to be the fact or facts and the evidence it intends to provide in support of its position. The Commission will hold hearings on a Postal Service request made pursuant to this subpart when it determines that there is a genuine issue of material fact to be resolved, and that a hearing is needed to resolve that issue.
