[66 FR 54438, Oct. 29, 2001]

§ 3001.59 Market Response Rate Requests—expedited of public notice and procedural schedule.

(a) The purpose of this section is to provide a schedule for expediting proceedings when a trial-type hearing is required in a proceeding in which the Postal Service proposes to adjust rates for Express Mail service in order to respond to a change in the market for expedited delivery services.

(b) The Postal Service shall not propose for consideration under the provisions of §§ 3001.57 through 3001.60 rates lower than:

(1) The average per piece attributable cost for Express Mail service determined in the most recent omnibus rate case, or

(2) The average per piece attributable cost for Express Mail service as determined by the Postal Service in accordance with section 3001.58(e) for the most recent fiscal year for which information is available, whichever is higher. Neither shall the Postal Service propose a rate for any rate cell which is lower than the estimated test period attributable cost of providing that rate cell with service.

(c)(1) Persons who are interested in participating in Express Mail Market Response Rate Request cases may intervene pursuant to § 3001.20 within 28 days of the filing of a formal request made under the provisions of §§ 3001.57 through 3001.60. Parties may withdraw from a case by filing a notice with the Commission.

(2) When the Postal Service files a request under the provisions of §§ 3001.57 through 3001.60 it shall comply with the standard Filing Online procedures of §§ 3001.9 through 3001.12.

(3) When the Postal Service files a request under the provisions of §§ 3001.57 through 3001.60, it shall on that same day file a notice that briefly describes its proposal. Such notice shall indicate on its first page that it is a notice of an Express Mail Market Response Rate Request to be considered under §§ 3001.57 through 3001.60, and identify

the last day for filing a notice of intervention with the Commission.

(d) In the absence of a compelling showing of good cause, the Postal Service and parties shall calculate Express Mail costs in accordance with the methodologies used by the Commission in the most recent omnibus rate case. In the analysis of customers' reactions to the change in the market for expedited delivery services which prompts the request, the Postal Service and parties may estimate the demand for segments of the expedited delivery market and for types of customers which were not separately considered when estimating volumes in the most recent omnibus rate case.

(e)(1) In the event that a party wishes to dispute as an issue of fact whether the Postal Service properly has calculated Express Mail costs or volumes (either before or after its proposed changes), or wishes to dispute whether the change in the market for expedited delivery services cited by the Postal Service has actually occurred, or wishes to dispute whether the rates proposed by the Postal Service are a reasonable response to the change in the market for expedited delivery services or are consistent with the policies of the Postal Reorganization Act, that party shall file with the Commission a request for a hearing within 28 days of the date that the Postal Service files its request. The request for hearing shall state with specificity the fact or facts set forth in the Postal Service's filing that the party disputes, and when possible, what the party believes to be the true fact or facts and the evidence it intends to provide in support of its position.

(2) The Commission will not hold hearings on a request made pursuant to §§ 3001.57 through 3001.60 unless it determines that there is a genuine issue of material fact to be resolved, and that a hearing is needed to resolve this issue.

(3) Whether or not a hearing is held, the Commission may request briefs and/or argument on an expedited schedule, but in any circumstance it will issue its recommended decision as promptly as is consistent with its statutory responsibilities.

(4) In order to assist in the rapid development of an adequate evidentiary

record, all participants may file appropriate discovery requests on other participants as soon as an Express Mail Market Response Rate Request is filed. Answers to such discovery requests will be due within 10 days. Objections to such discovery requests must be filed within 10 days in the form of a Motion to Excuse from Answering. Responses to Motions to Excuse from Answering must be filed within 7 days, and should such a motion be denied, the answers to the discovery in question are due within 7 days of the denial thereof. It is the Commission's intention that parties resolve discovery disputes informally between themselves whenever possible. The Commission, therefore, encourages the party receiving discovery requests considered to be unclear or objectionable to contact counsel for the party filing the discovery requests whenever further explanation is needed, or a potential discovery dispute might be resolved by means of such communication.

(5) If, either on its own motion, or after having received a request for a hearing, the Commission concludes that there exist one or more genuine issues of material fact and that a hearing is needed, the Commission shall expedite the conduct of such record evidentiary hearings to meet both the need to respond promptly to changed circumstances in the market and the standards of 5 U.S.C. 556 and 557. The procedural schedule, subject to change as described in paragraph (e)(6) of this section, is as follows: Hearings on the Postal Service case will begin 35 days after the filing of an Express Mail Market Response rate request; parties may file evidence either in support of or in opposition to the Postal Service proposal 49 days after the filing; hearings on the parties' evidence will begin 56 days after the filing; briefs will be due 70 days after the filing; and reply briefs will be due 77 days after the filing.

(6) The presiding officer may adjust any of the schedule dates prescribed in (e)(5) of this section in the interests of fairness, or to assist in the development of an adequate evidentiary record. Requests for the opportunity to present evidence to rebut a submission by a participant other than the Postal Service should be filed within three

working days of the receipt of that material into the evidentiary record, and should include a description of the evidence to be offered and the amount of time needed to prepare and present it. Requests for additional time will be reviewed with consideration as to whether the requesting participant has exercised due diligence, and whether the requesting participant has been unreasonably delayed from fully understanding the proposal.

§ 3001.60 Express mail market response—rule for decision.

The Commission will issue a recommended decision in accordance with the policies of 39 U.S.C., and which it determines would be a reasonable response to the change in the market for expedited delivery services. The purpose of §§ 3001.57 through 3001.60 is to allow for consideration of Express Mail Market Response rate requests within 90 days, consistent with the procedural due process rights of interested persons.
