### § 3004.3 Requests for records and for expedited processing.

(a) A request for records must be in writing and must reasonably describe the records sought. A request should be addressed or delivered to the Secretary of the Commission at the offices of the Commission at 1333 H Street NW., Washington, DC 20268. A request should be clearly identified as "Freedom of Information Act Request" both in the text of the request and on the envelope. A requester should include a daytime telephone number.

(b) A request for expedited processing may be made in cases in which the requester demonstrates a compelling need as defined in 5 U.S.C. 552(a)(6)(E)(v). The Commission may otherwise grant requests for expedited processing at its discretion. A request for expedited processing should be clearly identified as "Expedited Freedom of Information Act Request" both in the text of the request and on the envelope.

(c) A demonstration of compelling need by a requester seeking expedited processing must be made by a statement certified by the requester to be true and correct to the best of the requester's knowledge and belief. At its discretion, the Commission may waive the requirement for certification.

(d) A request for expedited processing may be made at the time of an initial request (or appeal) or at a later time.

### § 3004.4 Response to requests.

(a) Within 20 days (excluding Saturdays, Sundays, and legal public holi-

days) after receipt of a request for a Commission record, the Secretary of the Commission will:

(1) Determine to comply with the request and immediately notify the requester of the determination and of any fees that must be paid; or

(2) Deny the request in writing. The denial letter will explain the reason for the denial, including each exemption used as a basis for withholding of the records sought. The denial letter will include an estimate of the volume of requested matter that was denied. If disclosure of a record has been partially denied, the amount of information deleted will be indicated on the released portion if technically feasible. If revealing the amount or location of a denied record will harm an interest protected by an exemption, then the description of the amount or location of deleted information may be withheld. The denial letter will inform the requestor that he/she may, within one year, appeal the denial to the Commission.

(b) A denial is any form of adverse determination, including: a determination to withhold any requested record in whole or in part; a determination that a requested record does not exist or cannot be located; a determination that a record is not readily reproducible in the form or format sought by the requester; a determination that what has been requested is not a record subject to the FOIA; an adverse decision on any disputed fee matter, including a denial of a requested fee waiver; and a denial of a request for expedited treatment.

(c) Within ten days after the receipt of a request for expedited processing, the Secretary will:

(1) Grant the request for expedited processing and process the request for records as soon as practicable; or

(2) Deny a request for expedited processing in writing. Any request for records that has been denied expedited processing will be processed in the same manner as a request that did not seek expedited processing. The denial letter will inform the requestor that he/she may, within five days, appeal the denial to the Commission.

(d) If warranted by the unusual circumstances specified in 5 U.S.C.
