

(d) Upon completion of the deposition of a CSB employee, the original of the transcript will be provided to the deponent for signature and correction, which the CSB does not waive. A copy of the transcript of the testimony and any videotape shall be furnished, at the expense of the party requesting the deposition, to the CSB's General Counsel at Washington, DC headquarters for the CSB's files.

(e) If CSB employees are required to travel to testify, under the relevant substantive and procedural laws and regulations the party requesting the testimony must pay for the costs, including travel expenses. Costs must be paid by check or money order payable to the Chemical Safety and Hazard Investigation Board.

§ 1611.5 Request for testimony in civil litigation.

(a) A written request for testimony by deposition or interrogatories of a CSB employee relating to an incident shall be addressed to the General Counsel, who may approve or deny the request consistent with this part. Such request shall set forth the title of the civil case, the court, the date and place of the incident, the reasons for desiring the testimony, and a showing that the information desired is not reasonably available from other sources.

(b) Where testimony is sought in connection with civil litigation, the General Counsel shall not approve it until the CSB's investigation report is issued.

(c) The General Counsel shall attach to the approval of any deposition such reasonable conditions as may be deemed appropriate in order that the testimony will be consistent with § 1611.1, will be limited to the matters delineated in § 1611.3, will not interfere with the performance of the duties of the employee as set forth in § 1611.4, and will otherwise conform to the policies of this part.

(d) A subpoena shall not be served upon a CSB employee in connection with the taking of a deposition in civil litigation.

§ 1611.6 Testimony of former CSB employees.

(a) It is not necessary to request CSB approval for testimony of a former CSB employee, nor is such testimony limited to depositions. However, the scope of permissible testimony continues to be constrained by all the limitations set forth in § 1611.3 and § 1611.4.

(b) Any former employee who is served with a subpoena to appear and testify in connection with civil litigation that relates to his or her work with the CSB, shall immediately notify the CSB General Counsel and provide all information requested by the General Counsel.

§ 1611.7 Testimony by current CSB employees regarding prior activity.

Any testimony regarding any incident within the CSB's jurisdiction, or any expert testimony arising from employment prior to CSB service is prohibited absent approval by the General Counsel. Approval shall only be given if testimony will not violate § 1611.1 and § 1611.3, and is subject to whatever conditions the General Counsel finds necessary to promote the purposes of this part as set forth in § 1611.1 and § 1611.3.

§ 1611.8 Procedure in the event of a subpoena in civil litigation.

(a) If the CSB employee has received a subpoena to appear and testify in connection with civil litigation, a request for his deposition shall not be approved until the subpoena has been withdrawn.

(b) Upon receipt of a subpoena, the employee shall immediately notify the General Counsel and provide all information requested by the General Counsel.

(c) The General Counsel shall determine the course of action to be taken and will so advise the employee.

§ 1611.9 Testimony in Federal, State, or local criminal investigations and other proceedings.

(a) As with civil litigation, the CSB prefers that testimony be taken by deposition if court rules permit, and that testimony await the issuance of

§ 1611.10

the investigation report. The CSB recognizes, however, that in the case of coroner's inquests and grand jury proceedings this may not be possible. The CSB encourages those seeking testimony of CSB employees to contact the General Counsel as soon as such testimony is being considered. Whenever the intent to seek such testimony is communicated to the employee, he shall immediately notify the General Counsel.

(b) In any case, CSB employees are prohibited from testifying in any civil, criminal, or other matter, either in person or by deposition or interrogatories, absent advance approval of the General Counsel.

(c) If permission to testify by deposition or in person is granted, testimony shall be limited as set forth in § 1611.3. Only factual testimony is authorized; no expert or opinion testimony shall be given.

§ 1611.10 Obtaining CSB investigation reports and supporting information.

It is the responsibility of the individual requesting testimony to obtain desired documents. There are a number of ways to obtain CSB investigation reports, and accompanying investigation docket files. The rules at part 1612 of this chapter explain CSB procedures for production of records in legal proceedings, and the CSB's Freedom of Information Act rules at part 1601 of this chapter explain CSB procedures for producing documents more generally. See also the information available on the CSB web site, at www.csb.gov. You may also call the CSB Office of General Counsel, at (202) 261-7600. Documents will not be supplied by witnesses at depositions, nor will copying services be provided by deponents.

§ 1612.1 Purpose and scope.

(a) This part sets forth procedures to be followed when requesting material for use in legal proceedings (including administrative proceedings) in which the Chemical Safety and Hazard Investigation Board (CSB) is not a party, and procedures to be followed by the employee upon receipt of a subpoena, order, or other demand (collectively referred to here as a demand) for such material by a court or other competent authority or by a private litigant. *Material*, as used in this part, means any type of physical or documentary evidence, including but not limited to paper documents, electronic media, videotapes, audiotapes, etc.

(b) The purposes of this part are to:

(1) Conserve the time of employees for conducting official business;

(2) Minimize the possibility of involving the CSB in controversial issues not related to its mission;

(3) Maintain the impartiality of the CSB among private litigants;

(4) Avoid spending the time and money of the United States for private purposes; and

(5) To protect confidential, sensitive information, and the deliberative processes of the CSB.

§ 1612.2 Applicability.

This part applies to requests to produce material concerning information acquired in the course of performing official duties or because of the employee's official status. Specifically, this part applies to requests for: material contained in CSB files; and any information or material acquired by an employee of the CSB in the performance of official duties or as a result of the employee's status. Two sets of procedures are here established, dependent on the type of material sought. Rules governing requests for employee testimony, as opposed to material production, can be found at part 1611 of this chapter. Document production shall not accompany employee testimony, absent compliance with this part and General Counsel approval.
