(i) Test data or documentation demonstrating that the nonrefillable container meets the standards in §165.25(e) when it contains the pesticide product.

(ii) Test data or documentation demonstrating that a different nonrefillable container meets the standards in §165.25(e) when it contains the pesticide product or even a different pesticide product and a written explanation of why such data or documentation demonstrates that the container meets the standards in §165.25(e) for the pesticide product.

(5) At least one of the following records pertaining to the nonrefillable container residue removal requirement in §165.25(f) if the pesticide product is a flowable concentrate or if EPA specifically requests the records on a case by case basis:

(i) Test data showing that the non-refillable container and pesticide formulation meet the standard in §165.25(f) .

(ii) Test data showing that a different nonrefillable container with the same or a different pesticide formulation meets the standard in §165.25(f), together with a written explanation of why such data demonstrate that the nonrefillable container and pesticide formulation meet the standard in §165.25(f).

§§ 165.28–165.39 [Reserved]

**Subpart C—Refillable Container Standards: Container Design**

**§ 165.40 General provisions.**

(a) *What is the purpose of the regulations in this subpart?* The regulations in this subpart establish design and construction requirements for refillable containers used for the distribution or sale of some pesticide products.

(b) *Do I have to comply with the regulations in this subpart?* (1) You must comply with all of the regulations in this subpart if you are a registrant who distributes or sells a pesticide product in refillable containers. If your pesticide product is subject to the regulations in this subpart as set out in §165.43, your pesticide product must be distributed or sold in a refillable container that meets the standards of these regulations. This includes your pesticide products that are repackaged according to subpart D of this part.

(2) You must comply with the regulations in §165.45(f) for stationary pesticide containers if you are a refiller of a pesticide product and you are not the registrant of the pesticide product. If the pesticide product is subject to the regulations in this subpart as set out in §165.43, the stationary pesticide containers used to distribute or sell the product must meet the standards of §165.45(f).

(c) *When do I have to comply?* As of August 16, 2011, all pesticide products distributed or sold by you in refillable containers must be distributed or sold in compliance with these regulations.

**§ 165.43 Scope of pesticide products included.**

(a) *Are manufacturing use products subject to the regulations in this subpart?* No, the regulations in this subpart do
