§ 35.4080

WHAT TAGS CAN PAY FOR

§ 35.4070 How can my group spend TAG money?

(a) Your group must use all or most of your funds to procure a technical advisor(s) to help you understand the nature of the environmental and public health hazards at the site, the various stages of health and environmental investigations and activities, cleanup, and "operation and maintenance" of a site, including exposure investigation, health study, surveillance program, health promotion activities (for example, medical monitoring and pediatric health units), remedial investigation, and feasibility study, record of decision, remedial design, selection and construction of remedial action, operation and maintenance, and removal action. This technical assistance should contribute to the public's ability to participate in the decision making process by improving the public's understanding of overall conditions and activities at the site.

(b) Your group may use a portion of your funds to:

(1) Undertake activities that communicate site information to the public through newsletters, public meetings or other similar activities;

(2) Procure a grant administrator to manage your group's grant; and/or

(d) Political activity and lobbying that is unallowable under Office of Management and Budget (OMB) Circular A-122, Cost Principles for Non-Profit Organizations (this restriction includes activities such as attempting to influence the outcomes of any Federal, State or local election, referendum, initiative, or similar procedure through in-kind or cash contributions, endorsements, or publicity, or attempting to influence the introduction or passage of Federal or state legislation; your EPA regional office can supply you with a copy of this circular);

(e) Other activities that are unallowable under the cost principles stated in OMB Circular A-122 (such as costs of amusement, diversion, social activities, fund raising and ceremonials);

(f) Tuition or other training expenses for your group's members or your technical advisor except as § 35.4070(b)(3) allows;

HOW YOU GET THE MONEY

§ 35.4080 Does my group get a lump sum up front, or does EPA reimburse us for costs we incur?
