

office. If the situation is not resolved at the end of the 15 day period, the Volunteer will be removed from the project and placed on Administrative Hold, pending a decision as set forth in paragraph (c) of this section.

(c) The State office will take one of the following actions concerning a Volunteer who has been removed from a project assignment:

(1) Accept the Volunteer's resignation;

(2) If removal was requested for reasons other than those listed in §1210.3-1, ACTION will attempt to place the Volunteer on another project. If reassignment is not possible, the Volunteer will be terminated for lack of suitable assignment, and he or she will be given special consideration for reinstatement; or

(3) If removal from the project is approved based on any of the grounds for early termination as set forth in §1210.3-1, the Volunteer may appeal the termination grounds as detailed in subpart C of this part to establish whether such termination is supported by sufficient evidence. If ACTION determines that the removal based on grounds detailed in §1210.3-1 is not established by adequate evidence, then the procedures outlined in §1210.3-2(c)(2) will be followed.

(d) A Volunteer's removal during a term of service may also occur as a result of either the termination of, or refusal to renew, the Memorandum of Agreement between ACTION and the sponsoring organization, or the termination or completion of the initial Volunteer assignment. In such cases, the Volunteer will be placed in Administrative Hold status while the Regional Office attempts to reassign the Volunteer to another project. If no appropriate reassignment within the Region is found within the Administrative Hold period, the Volunteer will be terminated but will receive special consideration for reinstatement as soon as an appropriate assignment becomes available. If appropriate reassignment is offered the Volunteer and declined, ACTION has no obligation to offer additional or alternative assignments.

§ 1210.3-3 Suspension.

(a) The ACTION State Director may suspend a Volunteer for up to 30 days in order to determine whether sufficient evidence exists to start termination proceedings against the Volunteer. Suspension is not warranted if the State Director determines that sufficient grounds already exist for the initiation of termination. In that event, the termination procedures contained in §1210.3-4 will be followed.

(b) Notice of suspension may be written or verbal and is effective upon delivery to the Volunteer. Within 3 days after initiation of the suspension, the Volunteer will receive a written notice of suspension setting forth in specific detail the reason for the suspension. During the suspension period the Volunteer may not engage in project activities, but will continue to receive all allowances, including stipend.

(c) At the end of the suspension period, the Volunteer must either be re-assigned to a project, or termination proceedings must be initiated.

§ 1210.3-4 Initiation of termination.

(a) *Opportunity for Resignation.* In instances where ACTION has reason to believe that a Volunteer is subject to termination for any of the grounds cited in §1210.3-1, an ACTION staff member will discuss the matter with the Volunteer. If, after the discussion, the staff member believes that grounds for termination exist, the Volunteer will be given an opportunity to resign. If the Volunteer chooses not to resign, the administrative procedures outlined below will be followed.

(b) *Notification of Proposed Termination.* The Volunteer will be notified, in writing by certified mail, of ACTION's intent to terminate him or her by the ACTION State Director at least 15 days in advance of the proposed termination date. The letter must give the reasons for termination, and notify the Volunteer that he or she has 10 days within which to answer in writing and to furnish any affidavits or written material. This answer must be submitted to the ACTION State Director or a designee identified in the notice of proposed termination.

(c) *Review and Notice of Decision.* (1) Within 5 working days after the date of
