The requirements of this section will also apply to any State or other applicant receiving assistance under this part that proposes to conduct a grant program using the assistance to support other national or community service programs.

(a) *Planning grants*—(1) *Purpose.* The purpose of a planning grant is to assist an applicant in completing the planning necessary to implement a sound concept that has already been developed.

(2) *Eligibility.* (i) States may apply directly to the Corporation for planning grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for planning grants.

(3) *Duration.* A planning grant will be negotiated for a term not to exceed one year.

(b) *Operational grants*—(1) *Purpose.* The purpose of an operational grant is to fund an organization that is ready to establish, operate, or expand an AmeriCorps program. § 2521.30 How will AmeriCorps subtitle C program grants be awarded?

In any fiscal year, the Corporation will award AmeriCorps subtitle C program grants as follows:

(a) *Grants to State Applicants.* (1) For the purposes of this section, the term “State” means the fifty States, Puerto Rico, and the District of Columbia.

(2) One-third of the funds available under this part and a corresponding allotment of AmeriCorps educational awards, as specified by the Corporation, will be distributed according to a population-based formula to the 50 States, Puerto Rico and the District of Columbia if they have applications approved by the Corporation.

(3) At least one-third of funds available under this part and an appropriate number of AmeriCorps awards, as determined by the Corporation, will be awarded to States on a competitive basis. In order to receive these funds, a State must receive funds under paragraphs (a)(2) or (b)(1) of this section in the same fiscal year.

(4) In making subgrants with funds awarded by formula or competition under paragraphs (a) (2) or (3) of this section, a State must: (i) Provide a description of the process used to select programs for funding including a certification that the State or other entity used a competitive process and criteria that were consistent with the selection criteria in § 2522.410 of this chapter. In making such competitive selections, the State must ensure the equitable allocation within the State of assistance and approved AmeriCorps positions provided under this subtitle to the State taking into consideration such factors as the location of the programs applying to the State, population density, and economic distress;

(ii) Provide a written assurance that not less than 60 percent of the assistance provided to the State will be used to make grants in support of AmeriCorps programs other than AmeriCorps programs carried out by the State or a State agency. The Corporation may permit a State to deviate from this percentage if the State demonstrates that it did not receive a sufficient number of acceptable applications; and

(iii) Ensure that a minimum of 50 percent of funds going to States will be used for programs that operate in the areas of need or on Federal or other public lands, and that place a priority on recruiting participants who are residents in high need areas, or on Federal or other public lands. The Corporation may waive this requirement for an individual State if at least 50 percent of the total amount of assistance to all States will be used for such programs.

(b) *Grants to Applicants other than States.* (1) One percent of available funds will be distributed to the U.S. Territories¹ that have applications approved by the Corporation according to a population-based formula.²

¹The United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

²The amount allotted as a grant to each such territory or possession is equal to the ratio of each such Territory’s population to the population of all such territories multiplied by the amount of the one percent set-aside.
