

(2) One percent of available funds will be reserved for distribution to Indian tribes on a competitive basis.

(3) The Corporation will use any funds available under this part remaining after the award of the grants described in paragraphs (a) and (b) (1) and (2) of this section to make direct competitive grants to subdivisions of States, Indian tribes, public or private nonprofit organizations (including religious organizations and labor organizations), institutions of higher education, and Federal agencies. No more than one-third of these remaining funds may be awarded to Federal agencies.

(c) *Allocation of AmeriCorps educational awards only.* The Corporation will determine on an annual basis the appropriate number of educational awards to make available for eligible applicants who have not applied for program assistance.

(d) *Effect of States' or Territories' failure to apply.* If a State or U.S. Territory does not apply for or fails to give adequate notice of its intent to apply for a formula-based grant as announced by the Corporation and published in applications and the Notice of Funds Availability, the Corporation will use the amount of that State's allotment to make grants to eligible entities to carry out AmeriCorps programs in that State or Territory. Any funds remaining from that State's allotment after making such grants will be reallocated to the States, Territories, and Indian tribes with approved AmeriCorps applications at the Corporation's discretion.

(e) *Effect of rejection of State application.* If a State's application for a formula-based grant is ultimately rejected by the Corporation pursuant to § 2522.320 of this chapter, the State's allotment will be available for redistribution by the Corporation to the States, Territories, and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

(f) The Corporation will make grants for training, technical assistance and other special programs described in part 2524 of this chapter at the Corporation's discretion.
