1509.170-4 Definitions.

(a) *Contractor Performance Report* is an evaluation of a contractor's performance for a specified period of time.

(b) *Interim Report* refers to a Contractor Performance Report that covers each 12 month period after the effective date of contract.

(c) *Final Report* refers to a Contractor Performance Report that covers the last 12 months (or less) of contract performance.

(d) *Ratings* refer to the numerical scores for each performance category. Ratings are defined as follows: 0 = unsatisfactory, 1 = poor, 2 = fair, 3 = good, 4 = excellent, and 5 = outstanding.

(e) *Summary ratings* refer to the ratings determined by one level above the contracting officer regarding disagreements between the contractor and the contracting officer. Summary ratings reflect the Agency's ultimate conclusion for the performance period being evaluated.

(f) *Performance Categories* refer to the measures used to evaluate a contractor's performance. Performance categories include quality, cost control,

timeliness of performance, business relations, compliance with labor standards, compliance with safety standards, and meeting Small Disadvantaged Business subcontracting requirements.

1509.170-5 Policy.

(a) Contracting officers are responsible for the timely completion of contractors' performance evaluations. The National Institutes of Health Contractor Performance System shall be used to record individual contractor performance histories on EPA contracts and to obtain contractor past performance information for use in EPA's source selection process.

(b) For service type acquisitions, contracting officers shall use the National Institutes of Health (NIH) Contractor Performance System to record evaluations for all contract performance periods expiring after May 26, 1999. For construction type acquisitions, contracting officers shall use the NIH system to record evaluations for all contract performance periods expiring after December 2, 2002.

(c) Contractor evaluation information shall be recorded in Contractor Performance Reports (Report) which are generated by the National Institutes of Health system. Reports shall cover individual contractor evaluations at the contract level, which includes all work assignments, task orders, or delivery orders associated with the 12 month period being evaluated (interim Report) or the last 12 months (or less) of contract performance (final Report).

(d) The contracting officer must complete interim Reports covering each 12 month period after the effective date of contract for all contracts in excess of \$100,000, except those acquisitions identified in 1509.170-3, Applicability. In addition to interim Reports, the contracting officer must complete a final Report which covers the last 12 months (or less) of contract performance.

(e) The contracting officer shall initiate the process for completing interim Reports within five (5) business days after the end of each 12 months of contract performance. The contracting
