As prescribed at 2014.201-670(c), the contracting officer shall insert the following provision in applicable invitations for bids (paragraph "(f)" of this provision is optional):

BID EVALUATION (JAN 1993)

(a) Award will be made to that responsive, responsible bidder within the meaning of FAR Subpart 9.1 whose total bid amount, as set forth by the bidder in Section B of this Invitation for Bid (IFB), constitutes the lowest overall evaluated final contract price to the Government based upon the requirements for the schedule. Bids will be evaluated for purposes of award by first ascertaining the sum of the total amount for each of the items specified in Section B of this solicitation. This will constitute the bidder's "Total Bid Amount."

(b) Bidders shall insert a definite price or indicate "no charge" in the blank space provided for each item and/or sub-item listed in Section B. Unless expressly provided for in the bid, no additional charge will be allowed for work performed under the contract other than the unit prices stipulated for each item and/or sub-item.

(c) Any bid which is materially unbalanced as to price for the separate items specified in Section B of this IFB may be rejected as nonresponsive. An unbalanced bid is defined as one which is based on prices which, in the opinion of the NRC, are significantly less than cost for some work and/or prices that may be significantly overstated for other work.
